6 B. Subrogation.

7 An employer or carrier liable for compensation under this 1. act title for the injury or death of an employee shall have the 8 9 right to maintain an action in tort against any third party 10 responsible for the injury or death. However, the employer or the 11 carrier shall notify the claimant employee in writing that the 12 claimant employee has the right to hire a private attorney to pursue 13 any benefits to which the claimant employee is entitled in addition 14 to the subrogation interest against any third party responsible for 15 the injury or death.

16 2. After reasonable notice and opportunity to be represented in 17 the action has been given to the injured employee, the liability of 18 the third party to the compensation beneficiary shall be determined 19 in the action, as well as the third party's liability to the 20 employer and carrier.

3. If the employer recovers against the third party, by suit or otherwise, the injured employee shall be entitled to any amount recovered in excess of the amount that the employer and carrier have

4. An employer or carrier who is liable for compensation under
this act title on account of injury or death of an employee shall be
entitled to maintain a third-party action against the employer's

SECTION 35. AMENDATORY Section 44, Chapter 208, O.S.L.
8 2013 (85A O.S. Supp. 2016, Section 44), is amended to read as
9 follows:

10 Section 44. A. Any benefits payable to an injured employee 11 under this act title shall be reduced in an amount equal to, dollar-12 for-dollar, the amount of benefits the injured employee has 13 previously received for the same medical services or period of 14 disability, whether those benefits were paid under a group health 15 care service plan, a group disability policy, a group loss of income 16 policy, a group accident, health, or accident and health policy, a 17 self-insured employee health or welfare benefit plan, or a group 18 hospital or medical service contract; provided, however, such 19 reduction does not apply to any benefit received from a group policy 20 for disability if the injured employee has paid for the policy.

B. The <u>claimant employee</u> shall be required to disclose in a manner to be determined by the <u>Workers' Compensation</u> Commission the identity, address, or phone number of any person or entity which has 1 paid benefits described in this section in connection with any claim
2 under this act title.

3 SECTION 36. AMENDATORY Section 45, Chapter 208, O.S.L.
4 2013, as amended by Section 2, Chapter 390, O.S.L. 2015 (85A O.S.
5 Supp. 2016, Section 45), is amended to read as follows:

6 Section 45. A. Temporary Total Disability.

7 If the injured employee is temporarily unable to perform his 1. or her job or any alternative work offered by the employer because 8 9 of a disability, he or she shall be entitled to receive compensation 10 equal to seventy percent (70%) of the injured employee's average 11 weekly wage per week, but not to exceed seventy percent (70%) of the state average weekly wage, for one hundred four (104) weeks. 12 13 Provided, there shall be no payment for the first three (3) days of 14 the initial period of temporary total disability. If an 15 administrative law judge finds that a consequential subsequent 16 injury has occurred as a direct result of the injury or medical 17 treatment to the part of the body originally injured and that 18 additional time is needed to reach maximum medical improvement, 19 temporary total disability may continue for a period of not more 20 than an additional fifty-two (52) weeks. Such finding shall be 21 based upon a showing of medical necessity by clear and convincing 22 evidence.

23 2. When the injured employee is released from active medical
24 treatment by the treating physician for all body parts found by the

1 Commission to be injured, or in the event that the employee, without 2 a valid excuse, misses three consecutive medical treatment 3 appointments, fails to comply with medical orders of the treating physician, or otherwise abandons medical care, the employer shall be 4 5 entitled to terminate temporary total disability by notifying the employee, or if represented, his or her counsel. If, however, an 6 7 objection to the termination of temporary total disability is filed 8 by the employee within ten (10) days of termination, the Commission 9 shall set the matter within twenty (20) days for a determination if 10 temporary total disability compensation shall be reinstated. The 11 temporary total disability shall remain terminated unless the 12 employee proves the existence of a valid excuse for his or her 13 failure to comply with medical orders of the treating physician or 14 his or her abandonment of medical care. The administrative law 15 judge may appoint an independent medical examiner to determine if 16 further medical treatment is reasonable and necessary. The 17 independent medical examiner shall not provide treatment to the 18 injured worker employee, unless agreed upon by the parties.

19

B. Temporary Partial Disability.

1. If the injured employee is temporarily unable to perform his or her job <u>because of a disability</u>, but may perform alternative work offered by the employer, he or she shall be entitled to receive compensation equal to the greater of seventy percent (70%) of the difference between the injured employee's average weekly wage before

ENGR. H. B. NO. 1462

the injury and his or her weekly wage for performing alternative work after the injury, but only if his or her weekly wage for performing the alternative work is less than the temporary total disability rate. <u>However, the injured employee's actual earnings</u> <u>plus temporary partial disability shall not exceed the temporary</u> <u>total disability rate.</u>

7 2. Compensation under this subsection may not exceed fifty-two
8 (52) weeks.

9 3. If the employee refuses to perform the alternative work
10 offered by the employee employer, he or she shall not be entitled to
11 benefits under subsection A of this section or under this section.

12 C. Permanent Partial Disability.

13 If the injured employee has a permanent disability after 1. 14 reaching maximum medical improvement, he or she shall be entitled to 15 receive compensation equal to seventy percent (70%) of the 16 employee's average weekly wage per week, not to exceed Three Hundred 17 Fifty Dollars (\$350.00) per week, for three and one-half (3 1/2) 18 weeks for each percentage point of impairment but not to exceed the 19 earlier of three hundred fifty (350) weeks or the date of the 20 injured employee's death.

21 <u>2.</u> A permanent partial disability award or combination of 22 awards granted an injured worker may not exceed a permanent partial 23 disability rating of one hundred percent (100%) to any body part or 24 to the body as a whole. The determination of permanent partial

ENGR. H. B. NO. 1462

1 disability shall be the responsibility of the Commission through its administrative law judges. Any claim by an employee for 2 compensation for permanent partial disability must be supported by 3 4 competent medical testimony of a medical doctor, osteopathic 5 physician, or chiropractor, and shall be supported by objective medical findings, as defined in this act Section 2 of this title. 6 7 The opinion of the physician shall include employee's percentage of permanent partial disability and whether or not the disability is 8 9 job-related and caused by the accidental injury or occupational 10 disease. A physician's opinion of the nature and extent of 11 permanent partial disability to parts of the body other than 12 scheduled members must be based solely on criteria established by 13 the current edition of the American Medical Association's "Guides to 14 the Evaluation of Permanent Impairment". A copy of any written 15 evaluation shall be sent to both parties within seven (7) days of 16 issuance. Medical opinions addressing compensability and permanent 17 disability must be stated within a reasonable degree of medical 18 certainty. Any party may submit the report of an evaluating 19 physician.

20 2. <u>3.</u> Permanent partial disability shall not be allowed to a 21 part of the body for which no medical treatment has been received. 22 A determination of permanent partial disability made by the 23 Commission or administrative law judge which is not supported by 24 objective medical findings provided by a treating physician who is a

1 medical doctor, doctor of osteopathy, chiropractor or a qualified 2 independent medical examiner shall be considered an abuse of 3 discretion.

3. The examining physician shall not deviate from the Guides 4 except as may be specifically provided for in the Guides. 5 6 4. In cases of permanent partial disability, the compensation 7 shall be seventy percent (70%) of the employee's average weekly wage, not to exceed Three Hundred Twenty-three Dollars (\$323.00) per 8 9 week, for a term not to exceed a total of three hundred fifty (350) 10 weeks for the body as a whole. 11 5. Except pursuant to settlement agreements entered into by the 12 employer and employee, payment of a permanent partial disability 13 award shall be deferred and held in reserve by the employer or 14 insurance company if the employee has reached maximum medical 15 improvement and has been released to return to work by his or her 16 treating physician, and then returns to his pre-injury or equivalent 17 job for a term of weeks determined by dividing the total dollar 18 value of the award by seventy percent (70%) of the employee's 19 average weekly wage. 20 The amount of the permanent partial disability award a. 21 shall be reduced by seventy percent (70%) of the 22 employee's average weekly wage for each week he works 23 in his pre-injury or equivalent job. 24

| 1 | b. | If, for any reason other than misconduct as defined in |
|----|---------------|--------------------------------------------------------|
| 2 | | Section 2 of this act, the employer terminates the |
| 3 | | employee or the position offered is not the pre-injury |
| 4 | | or equivalent job, the remaining permanent partial |
| 5 | | disability award shall be paid in a lump sum. If the |
| 6 | | employee is discharged for misconduct, the employer |
| 7 | | shall have the burden to prove that the employee |
| 8 | | engaged in misconduct. |
| 9 | c. | If the employee refuses an offer to return to his pre- |
| 10 | | injury or equivalent job, the permanent partial |
| 11 | | disability award shall continue to be deferred and |
| 12 | | shall be reduced by seventy percent (70%) of the |
| 13 | | employee's average weekly wage for each week he |
| 14 | | refuses to return to his pre-injury or equivalent job. |
| 15 | d. | Attorney fees for permanent partial disability awards, |
| 16 | | as approved by the Commission, shall be calculated |
| 17 | | based upon the total permanent partial disability |
| 18 | | award and paid in full at the time of the deferral. |
| 19 | e. | Assessments pursuant to Sections 31, 98, 112 and 165 |
| 20 | | of this act shall be calculated based upon the amount |
| 21 | | of the permanent partial disability award and shall be |
| 22 | | paid at the time of the deferral. |

ENGR. H. B. NO. 1462

<u>4. If an employee is eligible to receive permanent total</u>
 <u>disability benefits</u>, he or she shall not also receive permanent
 partial disability benefits.

4 5. An employee may elect to commute the remainder of the 5 permanent partial disability award, including an award under Section 6 46 of this title, to which the employee is entitled if the employee 7 has returned to work for at least six (6) months, earning at least seventy percent (70%) of the employee's average weekly wage at the 8 9 time of the injury. An employee who elects to commute the permanent 10 partial disability award is not entitled to additional benefits for 11 the injury.

12 6. Previous Disability: The fact that an employee has suffered 13 previous disability or received compensation therefor shall not 14 preclude the employee from compensation for a later accidental 15 personal injury or occupational disease. In the event there exists 16 a previous permanent partial disability, including a previous non-17 work-related injury or condition which produced permanent partial 18 disability and the same is appravated or accelerated by an 19 accidental personal injury or occupational disease, compensation for 20 permanent partial disability shall be only for such amount as was 21 caused by such accidental personal injury or occupational disease 22 and no additional compensation shall be allowed for the preexisting 23 disability or impairment. Any such reduction shall not apply to 24

1 temporary total disability, nor shall it apply to compensation for 2 medical treatment.

| 3 | a. | If workers' compensation benefits have previously been |
|----|----|-----------------------------------------------------------------------|
| 4 | | awarded through settlement or judicial or |
| 5 | | administrative determination in Oklahoma, the |
| 6 | | percentage basis of the prior settlement or award |
| 7 | | shall conclusively establish the amount of permanent |
| 8 | | partial disability determined to be preexisting. If |
| 9 | | workers' compensation benefits have not previously |
| 10 | | been awarded through settlement or judicial or |
| 11 | | administrative determination in Oklahoma, the amount |
| 12 | | of preexisting permanent partial disability shall be |
| 13 | | established by competent evidence. |
| 14 | b. | In all cases, the applicable reduction shall be |
| 15 | | calculated as follows: |
| 16 | | (1) if the preexisting impairment <u>disability</u> is the |
| 17 | | result of injury sustained while working for the |
| 18 | | employer against whom workers' compensation |
| 19 | | benefits are currently being sought, any award of |
| 20 | | compensation shall be reduced by the current |
| 21 | | dollar value attributable under the |
| 22 | | Administrative Workers' Compensation Act to the |
| 23 | | percentage of permanent partial disability |
| 24 | | determined to be preexisting. The current dollar |

1 value shall be calculated by multiplying the 2 percentage of preexisting permanent partial disability by the compensation rate in effect on 3 the date of the accident or injury against which 4 5 the reduction will be applied, and in all other cases, the employer against whom 6 (2) 7 benefits are currently being sought shall be entitled to a credit for the percentage of 8 9 preexisting permanent partial disability. 10 7. No payments on any permanent partial disability order shall 11 begin until payments on any preexisting permanent partial disability 12 orders have been completed. 13 8. The whole body shall represent a maximum of three hundred 14 fifty (350) weeks. 15 9. The permanent partial disability rate of compensation for 16 amputation or permanent total loss of use of a scheduled member 17 specified in Section 46 of this act shall be seventy percent (70%) 18 of the employee's average weekly wage, not to exceed Three Hundred 19 Twenty-three Dollars (\$323.00), multiplied by the number of weeks set forth for the member in Section 46 of this act, regardless of 20 21 whether the injured employee is able to return to his or her pre-22 injury or equivalent job. 23

23 10. An injured employee who is eligible for permanent partial
 24 disability under this subsection shall be entitled to receive

vocational rehabilitation services provided by a technology center or public secondary school offering vocational-technical education courses, or a member institution of The Oklahoma State System of Higher Education, which shall include retraining and job placement to restore the employee to gainful employment. Vocational rehabilitation services or training shall not extend for a period of more than fifty-two (52) weeks.

8

D. Permanent Total Disability.

9 1. In case of total disability adjudged to be permanent, If the 10 injured employee is incapable of earning wages in any employment for 11 which the employee may become physically suited and reasonably 12 fitted by education, training, experience or vocational 13 rehabilitation provided under this title because of a disability, he 14 or she shall be entitled to receive compensation equal to seventy 15 percent (70%) of the employee's average weekly wages, but not in 16 excess of the state's average weekly wage, shall be paid to the 17 employee during the continuance per week for the duration of the 18 disability until such time as the employee reaches the age of 19 maximum Social Security retirement benefits or for a period of 20 fifteen (15) years, whichever is longer. In the event the claimant 21 employee dies of causes unrelated to the injury or illness, benefits 22 shall cease on the date of death. Provided, however, any person 23 entitled to revive the action shall receive a one-time lump-sum 24 payment equal to twenty-six (26) weeks of weekly benefits for

1 permanent total disability awarded the claimant. If more than one person is entitled to revive the claim, the lump-sum payment shall 2 3 be evenly divided between or among such persons. In the event the Commission awards both permanent partial disability and permanent 4 total disability benefits, the permanent total disability award 5 shall not be due until the permanent partial disability award is 6 7 paid in full. If otherwise qualified according to the provisions of this act title, permanent total disability benefits may be awarded 8 9 to an employee who has exhausted the maximum period of temporary 10 total disability even though the employee has not reached maximum 11 medical improvement.

12 2. The Commission shall annually review the status of any 13 employee receiving benefits for permanent total disability against 14 the last employer. The Commission shall require the employee to 15 annually file an affidavit under penalty of perjury stating that he 16 or she is not and has not been gainfully employed and is not capable 17 of gainful employment. Failure to file such affidavit shall result 18 in suspension of benefits; provided, however, reinstatement of 19 benefits may occur after proper hearing before the Commission. 20 E. 1. The Workers' Compensation Commission shall hire or 21 contract for a Vocational Rehabilitation Director to oversee the 22 vocational rehabilitation program of the Commission. 23 2. The Vocational Rehabilitation Director shall help injured 24 workers return to the work force. If the injured employee is unable

| 3 | the request of either party, the Vocational Rehabilitation Director |
| 4 | shall determine if it is appropriate for a claimant to receive |
| 5 | vocational rehabilitation training or services, and will oversee |
| 6 | such training. If appropriate, the Vocational Rehabilitation |
| 7 | Director shall issue administrative orders, including, but not |
| 8 | limited to, an order for a vocational rehabilitation evaluation for |
| 9 | any injured employee unable to work for at least ninety (90) days. |
| 10 | In addition, the Vocational Rehabilitation Director may assign |
| 11 | injured workers to vocational rehabilitation counselors for |
| 12 | coordination of recommended services. The cost of the services |
| 13 | shall be paid by the employer. All administrative orders are |
| 14 | subject to appeal to the full Commission. |
| 15 | 3. There shall be a presumption in favor of ordering vocational |
| 16 | rehabilitation services or training for an eligible injured employee |
| 17 | under the following circumstances: |
| 18 | a. if the employee's occupation is truck driver or |
| 19 | laborer and the medical condition is traumatic brain |

1 expert for evaluation of the practicability of, need for and kind of 2 rehabilitation services or training necessary and appropriate in 3 order to restore the employee to gainful employment. The cost of the evaluation shall be paid by the employer. Following the 4 5 evaluation, if the employee refuses the services or training ordered by the administrative law judge, or fails to complete in good faith 6 7 the vocational rehabilitation training ordered by the administrative law judge, then the cost of the evaluation and services or training 8 9 rendered may, in the discretion of the administrative law judge, be 10 deducted from any award of benefits to the employee which remains 11 unpaid by the employer. Upon receipt of such report, and after 12 affording all parties an opportunity to be heard, the administrative 13 law judge shall order that any rehabilitation services or training, 14 recommended in the report, or such other rehabilitation services or 15 training as the administrative law judge may deem necessary, 16 provided the employee elects to receive such services, shall be 17 provided at the expense of the employer. Except as otherwise 18 provided in this subsection, refusal to accept rehabilitation 19 services by the employee shall in no way diminish any benefits 20 allowable to an employee. 21 5. The administrative law judge may order vocational 22 rehabilitation before the injured employee reaches maximum medical 23 improvement, if the treating physician believes that it is likely 24 that the employee's injury will prevent the employee from returning

| 1 | to his or her former employment. In granting early benefits for |
|----|----------------------------------------------------------------------|
| 2 | vocational rehabilitation, the Commission shall consider temporary |
| 3 | restrictions and the likelihood that such rehabilitation will return |
| 4 | the employee to gainful employment earlier than if such benefits are |
| 5 | granted after the permanent partial disability hearing in the claim. |
| 6 | 6. Vocational rehabilitation services or training shall not |
| 7 | extend for a period of more than fifty-two (52) weeks. A request |

| 9 | with the Commission by an interested party not later than sixty (60) |
| 10 | days from the date of receiving permanent restrictions that prevent |
| 11 | the injured employee from returning to his or her pre-injury or |

| 13 | 7. If rehabilitation requires residence at or near the facility |

| 15 | residence, reasonable cost of the employee's board, lodging, travel, |

| 20 | 8. During the period when an employee is actively and in good |
| 21 | faith being evaluated or participating in a retraining or job |

| 23 | disability status, the employee shall be entitled to receive |
| 24 | benefits at the same rate as the employee's temporary total |

| 1 | disability benefits for an additional fifty-two (52) weeks. All |
|----|----------------------------------------------------------------------|
| 2 | tuition related to vocational rehabilitation services shall be paid |
| 3 | by the employer or the employer's insurer on a periodic basis |
| 4 | directly to the facility providing the vocational rehabilitation |
| 5 | services or training to the employee. The employer or employer's |
| 6 | insurer may deduct the amount paid for tuition from compensation |
| 7 | awarded to the employee. |
| 8 | E. Vocational Rehabilitation. |
| 9 | 1. If the injured employee has a permanent disability after |
| 10 | reaching maximum medical improvement and, as a result, is unable to |
| 11 | return to his or her pre-injury job or another job that pays at |
| 12 | least eighty percent (80%) of the injured employee's pre-injury |
| 13 | wages, the injured employee shall be entitled to vocational |
| 14 | rehabilitation services provided by a technology center or public |
| 15 | secondary school offering vocational-technical education courses or |
| 16 | a member institution of The Oklahoma State System of Higher |
| 17 | Education, which shall include retraining and job placement to |

| 21 | 2. An administrative law judge may order vocational |
| 22 | rehabilitation before the injured employee reaches maximum medical |
| 23 | improvement if the treating physician believes that it is likely |
| 24 | that the employee will ultimately be eligible. |

ENGR. H. B. NO. 1462

<u>3. If vocational rehabilitation requires residence at or near</u>
 <u>the facility or institution which is away from the employee's</u>
 <u>customary residence, reasonable cost of the employee's board,</u>
 <u>lodging, travel, tuition, books and necessary equipment in training</u>
 <u>shall be paid for by the employer in addition to weekly compensation</u>
 <u>benefits to which the employee is otherwise entitled.</u>
 F. Disfigurement.

8 1. If an injured employee incurs serious and permanent
9 disfigurement to any part of the body, the Commission may award
10 compensation to the injured employee in an amount not to exceed
11 Fifty Thousand Dollars (\$50,000.00).

No award for disfigurement shall be entered until twelve
 (12) months after the injury.

An injured employee shall not be entitled to compensation under this subsection if he or she receives an award for permanent partial disability to the same part of the body.

17 G. Benefits for a single-event injury shall be determined by
18 the law in effect at the time of injury. Benefits for a cumulative
19 trauma injury or occupational disease or illness shall be determined
20 by the law in effect at the time the employee knew or reasonably
21 should have known that the injury, occupational disease or illness
22 was related to work activity. Benefits for death shall be
23 determined by the law in effect at the time of death.

1 Any entity providing durable medical equipment, с. 2 prosthetics, orthotics or supplies shall be accredited 3 by a CMS-approved accreditation organization. If a 4 physician provides durable medical equipment, 5 prosthetics, orthotics, prescription drugs, or supplies to a patient ancillary to the patient's 6 7 visit, reimbursement shall be no more than ten percent (10%) above cost. 8

9 d. The Commission shall develop a reasonable stop-loss 10 provision of the Fee Schedule to provide for adequate 11 reimbursement for treatment for major burns, severe 12 head and neurological injuries, multiple system 13 injuries, and other catastrophic injuries requiring 14 extended periods of intensive care.

4. The right to recover charges for every type of medical care for injuries arising out of and in the course of covered employment as defined in this act <u>title</u> shall lie solely with the Commission. When a medical care provider has brought a claim to the Commission to obtain payment for services, a party who prevails in full on the claim shall be entitled to reasonable attorney fees.

5. Nothing in this section shall prevent an employer, insurance carrier, group self-insurance association, or certified workplace medical plan from contracting with a provider of medical care for a 24

reimbursement rate that is greater than or less than limits
 established by the Fee Schedule.

6. A treating physician may not charge more than Four Hundred
Dollars (\$400.00) per hour for preparation for or testimony at a
deposition or appearance before the Commission in connection with a
claim covered by the Administrative Workers' Compensation Act.

7 7. The Commission's review of medical and treatment charges 8 pursuant to this section shall be conducted pursuant to the Fee 9 Schedule in existence at the time the medical care or treatment was 10 provided. The judgment approving the medical and treatment charges 11 pursuant to this section shall be enforceable by the Commission in 12 the same manner as provided in this act <u>title</u> for the enforcement of 13 other compensation payments.

14 8. Charges for prescription drugs dispensed by a pharmacy shall 15 be limited to ninety percent (90%) of the average wholesale price of 16 the prescription, plus a dispensing fee of Five Dollars (\$5.00) per 17 prescription. "Average wholesale price" means the amount determined 18 from the latest publication designated by the Commission. 19 Physicians shall prescribe and pharmacies shall dispense generic 20 equivalent drugs when available. If the National Drug Code, or 21 "NDC", for the drug product dispensed is for a repackaged drug, then 22 the maximum reimbursement shall be the lesser of the original 23 labeler's NDC and the lowest-cost therapeutic equivalent drug 24 product. Compounded medications shall be billed by the compounding

ENGR. H. B. NO. 1462

pharmacy at the ingredient level, with each ingredient identified using the applicable NDC of the drug product, and the corresponding quantity. Ingredients with no NDC area are not separately reimbursable. Payment shall be based on a sum of the allowable fee for each ingredient plus a dispensing fee of Five Dollars (\$5.00) per prescription.

7 When medical care includes prescription drugs dispensed by a 9. physician or other medical care provider and the NDC for the drug 8 9 product dispensed is for a repackaged drug, then the maximum 10 reimbursement shall be the lesser of the original labeler's NDC and 11 the lowest-cost therapeutic equivalent drug product. Payment shall 12 be based upon a sum of the allowable fee for each ingredient plus a 13 dispensing fee of Five Dollars (\$5.00) per prescription. Compounded 14 medications shall be billed by the compounding pharmacy.

15 Implantables are paid in addition to procedural 10. 16 reimbursement paid for medical or surgical services. A 17 manufacturer's invoice for the actual cost to a physician, hospital 18 or other entity of an implantable device shall be adjusted by the 19 physician, hospital or other entity to reflect, at the time 20 implanted, all applicable discounts, rebates, considerations and 21 product replacement programs and shall be provided to the payer by 22 the physician or hospital as a condition of payment for the 23 implantable device. If the physician, or an entity in which the 24 physician has a financial interest other than an ownership interest

ENGR. H. B. NO. 1462

1 of less than five percent (5%) in a publically traded company, provides implantable devices, this relationship shall be disclosed 2 to patient, employer, insurance company, third-party commission, 3 4 certified workplace medical plan, case managers, and attorneys 5 representing claimant the employee and defendant. If the physician, or an entity in which the physician has a financial interest other 6 7 than an ownership interest of less than five percent (5%) in a publically traded company, buys and resells implantable devices to a 8 9 hospital or another physician, the markup shall be limited to ten 10 percent (10%) above cost.

11 Payment for medical care as required by this act title 11. 12 shall be due within forty-five (45) days of the receipt by the 13 employer or insurance carrier of a complete and accurate invoice, 14 unless the employer or insurance carrier has a good-faith reason to 15 request additional information about such invoice. Thereafter, the 16 Commission may assess a penalty up to twenty-five percent (25%) for 17 any amount due under the Fee Schedule that remains unpaid on the 18 finding by the Commission that no good-faith reason existed for the 19 delay in payment. If the Commission finds a pattern of an employer 20 or insurance carrier willfully and knowingly delaying payments for 21 medical care, the Commission may assess a civil penalty of not more 22 than Five Thousand Dollars (\$5,000.00) per occurrence.

12. If an employee fails to appear for a scheduled appointment
with a physician, the employer or insurance company shall pay to the

physician a reasonable charge, to be determined by the Commission,
 for the missed appointment. In the absence of a good-faith reason
 for missing the appointment, the Commission shall order the employee
 to reimburse the employer or insurance company for the charge.

5 13. Physicians providing treatment under this act title shall disclose under penalty of perjury to the Commission, on a form 6 7 prescribed by the Commission, any ownership or interest in any health care facility, business, or diagnostic center that is not the 8 9 physician's primary place of business. The disclosure shall include 10 any employee leasing arrangement between the physician and any health care facility that is not the physician's primary place of 11 12 business. A physician's failure to disclose as required by this 13 section shall be grounds for the Commission to disqualify the 14 physician from providing treatment under this act title.

15 I. Formulary. The Commission by rule shall adopt a closed 16 formulary. Rules adopted by the Commission shall allow an appeals 17 process for claims in which a treating doctor determines and 18 documents that a drug not included in the formulary is necessary to 19 treat an injured employee's compensable injury. The Commission by 20 rule shall require the use of generic pharmaceutical medications and 21 clinically appropriate over-the-counter alternatives to prescription 22 medications unless otherwise specified by the prescribing doctor, in 23 accordance with applicable state law.

B. In cases where the Commission directs examination or
treatment, proceedings shall be suspended, and no compensation shall
be payable for any period during which the employee refuses to
submit to examination and treatment or otherwise obstructs the
examination or treatment.

C. Failure of the employee to obey a judgment of the Commission for an examination or treatment for a period of one (1) month from the date of the judgment shall bar the right of the claimant employee to further compensation in respect to the injury.

1 SECTION 43. AMENDATORY Section 54, Chapter 208, O.S.L.
2 2013 (85A O.S. Supp. 2016, Section 54), is amended to read as

19 2013, as amended by Section 3, Chapter 390, O.S.L. 2015 (85A O.S.
20 Supp. 2016, Section 65), is amended to read as follows:

Section 65. A. If an employee suffers from an occupational disease as defined in this section and is disabled or dies as a result of the disease, the employee, or, in case of death, his or her dependents, shall be entitled to compensation as if the 1 disability or death were caused by injury arising out of work 2 activities within the scope of employment, except as otherwise 3 provided in this section.

B. No compensation shall be payable for an occupational disease
if the employee, at the time of entering into the employment of the
employer by whom the compensation would otherwise be payable,
falsely represented himself or herself in writing as not having
previously been disabled, laid off, or compensated in damages or
otherwise, because of the disease.

10 С. 1. If an occupational disease is aggravated by any other disease or infirmity, not itself compensable, or if disability or 11 12 death from any other cause, not itself compensable, is aggravated, 13 prolonged, accelerated, or in any way contributed to by an 14 occupational disease, the compensation payable shall be reduced and 15 limited to the proportion only of the compensation that would be 16 payable if of the occupational disease were the major cause of the 17 disability or death as the occupational disease, as a causative 18 factor, bears to all the causes of the disability or death that is 19 compensable.

20 2. The reduction in compensation is to be effected by reducing 21 the number of weekly or monthly payments or the amounts of the 22 payments, as under the circumstances of the particular case may be 23 for the best interest of the claimant employee.

24

1 D. 1. "Occupational disease", as used in this act, unless the 2 context otherwise requires, means any disease that results in 3 disability or death and arises out of and in the course of the 4 occupation or employment of the employee or naturally follows or 5 unavoidably results from an injury as that term is defined in this act. A causal connection between the occupation or employment and 6 7 the occupational disease shall be established by a preponderance of the evidence. 8

9 2. No compensation shall be payable for any contagious or
10 infectious disease unless contracted in the course and scope of
11 employment.

12 3. No compensation shall be payable for any ordinary disease of13 life to which the general public is exposed.

E. 1. When compensation is payable for an occupational disease, the employer in whose employment the employee was last injuriously exposed to the hazards of the disease and the carrier, if any, on the risk when the employee was last injuriously exposed under the employer shall be liable.

19 2. The amount of the compensation shall be based on the average 20 weekly wage of the employee when last injuriously exposed under the 21 employer, and the notice of injury and claim for compensation shall 22 be given and made to that employer.

F. 1. An employer shall not be liable for any compensation foran occupational disease unless:

- a. the disease is due to the nature of an employment in
 which the hazards of the disease actually exist and is
 actually incurred in the course and scope of his or
 her employment. This includes any disease due to or
 attributable to exposure to or contact with any
 radioactive material by an employee in the course and
 scope of his or her employment,
- b. disablement or death results within three (3) years in
 case of silicosis or asbestosis, or one (1) year in
 case of any other occupational disease, except a
 diseased condition caused by exposure to X-rays,
 radioactive substances, or ionizing radiation, after
 the last injurious exposure to the disease in the
 employment, or
- c. in case of death, death follows continuous disability
 from the disease, commencing within the period, for
 which compensation has been paid or awarded or timely
 claim made as provided in subparagraph b of this
 paragraph and results within seven (7) years after the
 last exposure.

21 2. However, in case of a diseased condition caused by exposure 22 to X-rays, radioactive substances, or ionizing radiation only, the 23 limitations expressed do not apply.

1 SECTION 51. AMENDATORY Section 66, Chapter 208, O.S.L. 2 2013 (85A O.S. Supp. 2016, Section 66), is amended to read as 3 follows:

Section 66. A. As used in this act title, unless the context
otherwise requires:

6 1. "Asbestosis" means the characteristic fibrotic condition of7 the lungs caused by the inhalation of asbestos dust; and

8 2. "Silicosis" means the characteristic fibrotic condition of9 the lungs caused by the inhalation of silica dust.

10 In the absence of conclusive evidence in favor of the claim, в. 11 disability or death from silicosis or asbestosis shall be presumed not to be due to the nature of any occupation within the provision 12 13 of this section unless during the ten (10) years immediately 14 preceding the date of disablement the employee has been exposed to 15 the inhalation of silica dust or asbestos dust over a period of not 16 less than five (5) years, two (2) years of which shall have been in 17 this state, under a contract of employment performed in this state. 18 However, if the employee has been employed by the same employer 19 during the entire five-year period, his or her right to compensation 20 against the employer shall not be affected by the fact that he or 21 she had been employed during any part of the period outside of this 22 state.

C. Except as otherwise provided in this section, compensation
 for disability from uncomplicated silicosis or asbestosis shall be

ENGR. H. B. NO. 1462

1 payable in accordance with the provisions of Sections 45 and 48 of 2 this act title.

D. 1. In case of disability or death from silicosis or
asbestosis complicated with tuberculosis of the lungs, compensation
shall be payable as for uncomplicated silicosis or asbestosis,
provided that the silicosis or asbestosis was an essential factor in
the causing of disability or death.

In case of disability or death from silicosis or asbestosis 2. 8 9 complicated with any other disease, or from any other disease 10 complicated with silicosis or asbestosis, the compensation shall be 11 reduced as provided in subsection C of Section 65 of this act title. 12 Ε. 1. When an employee, though not actually disabled, is found 13 by the Workers' Compensation Commission to be affected by silicosis 14 or asbestosis to such a degree as to make it unduly hazardous for 15 him or her to continue in an employment involving exposure to the 16 hazards of the disease, the Commission may order that he or she be 17 removed from his or her employment. In such a case, or in case he 18 or she has already been discharged from the employment and is 19 unemployed, he or she shall be entitled to compensation until he or 20 she can obtain steady employment in some other suitable occupation 21 in which there are no hazards of the disease.

22 2. When in any case the forced change of employment shall, in 23 the opinion of the Commission, require that the employee be given 24 special training in order to qualify him or her for another

ENGR. H. B. NO. 1462

occupation, the employer liable for compensation shall pay for the
 vocational rehabilitation and training provided for in this act
 <u>title</u>.
 SECTION 52. AMENDATORY Section 68, Chapter 208, O.S.L.

5 2013 (85A O.S. Supp. 2016, Section 68), is amended to read as 6 follows:

14 <u>B. If the employee does not give timely notice of an injury,</u> 15 <u>there shall be a</u> rebuttable presumption shall be that the injury was 16 not work-related. Such <u>is not a compensable injury; provided,</u> 17 <u>however, the</u> presumption must <u>may</u> be overcome by a preponderance of 18 the evidence.

B. Unless an employee gives oral or written notice to the employer within thirty (30) days of the employee's separation from employment, there shall be a rebuttable presumption that an occupational disease or cumulative trauma injury did not arise out of and in the course of employment. Such presumption must be overcome by a preponderance of the evidence.
