20 R. On or before October 31, 2021, the Council shall develop a
21 set of broadband incentive award guidelines for recommendation to
22 the State Legislature. The Council shall submit a copy of the
23 guidelines to the Speaker of the Oklahoma House of Representatives,
24 the President Pro Tempore of the Oklahoma State Senate, and to the

1 chairs of the appropriate legislative committees. The guidelines
2 shall:

3 1. Consider a weighted approach for awarding incentives based
4 upon the following:

5 a. the area's need for services, including, but not
6 limited to, whether the area is underserved, unserved,
7 rural or urban,

8 b. whether there are existing broadband assets in the
9 area, based on the statewide map,

10 c. whether existing federal, state, local, tribal or
11 private resources have been allocated to broadband
12 services in the area,

13 d. a preference for federal, state, local, tribal or
14 private partnerships, and

15 e. the capacity of the provider to maintain assets for an
16 extended period of time; and

17 2. Recommend any necessary controls including, but not limited
18 to, capping the dollar amount of awards, allowing for an auditing
19 process, and a process that allows for award clawbacks. These
20 controls shall be in place to ensure the maximum efficiency of the
21 incentive award and to protect against waste, fraud or abuse.

22 SECTION 3. It being immediately necessary for the preservation
23 of the public peace, health or safety, an emergency is hereby
24

1 declared to exist, by reason whereof this act shall take effect and
2 be in full force from and after its passage and approval.
