4 amended to read as follows:

5 Section 2-101.1 In determining whether an object is "drug
6 paraphernalia", a court or jury shall consider, in addition to all
7 other logically relevant factors, the following:

8 1. Statements by an owner or by anyone in control of the object
9 concerning its use;

10 2. The proximity of the object, in time and space, to a direct

23 paraphernalia;

24

1 6. Instructions, oral or written, provided with the object
2 which either state directly or imply that the object is to be used
3 for the consumption of controlled dangerous substances;

4 7. Descriptive materials accompanying the object which explain
5 or depict its use as an object for the consumption of controlled
6 dangerous substances;

7 8. The manner in which the object is displayed for sale;

8 9. Whether the owner, or anyone in control of the object, is a
9 legitimate supplier of like or related items to the community, such
10 as a licensed distributor or dealer of tobacco products;

11 10. Direct or circumstantial evidence of the ratio of sales of
12 the object or objects to the total sales of the business enterprise;

13 11. The existence and scope of legitimate uses for the object
14 in the community; and
