3           handbook adopted by the Association, shall be used by  
4           the Commissioner as a guide in performing the  
5           analysis.

7           the Commissioner into a particular insurer or practice, the  
8           following continuum of market conduct actions may be considered  
9           prior to conducting an on-site examination. These actions shall

2 specific.

3 6. Market conduct actions taken as a result of a market conduct

7 consumer harm.

8 7. The insurer may be given an opportunity to resolve matters  
9 that arise as a result of a market conduct analysis to the

13 Department to exercise the Commissioner's authority under Sections  
14 309.1 through 309.7 of this title.

8 (\$200.00) to the Insurance Commissioner for the filing of the market  
9 conduct annual statement due at the time of filing, in accordance  
10 with NAIC filing deadlines.

11 D. No waiver of an applicable privilege or claim of  
12 confidentiality in the documents, materials, or other information  
13 shall occur as a result of disclosure to the Insurance Commissioner  
14 or the Commissioner's designee under this section or as a result of  
15 sharing the documents, materials or other information as provided in  
16 this section.

17 E. Market conduct annual statements and any amendments and  
18 addendums to such statements, filed with the Insurance Commissioner  
19 pursuant to this section in electronic format or otherwise, shall be  
20 treated as working papers and documents as set out in subsection F  
21 of Section 309.4 of this title.

22 F. The Insurance Commissioner may use market conduct annual  
23 statements or amendments or addendums to such statements to assist

2 market conduct examination of any company under Sections 309.1  
3 through 309.7 of this title, the Insurance Commissioner may, in the
