The court reporter shall make a full reporting by means of stenographic hand, steno-mask or machine notes, or a combination thereof, of all proceedings, including the statements of counsel and the court and the evidence, in trials and other judicial proceedings to which the court reporter is assigned by the appointing judge unless excused by the judge who is trying the case with the consent of the parties to the action. Nothing herein contained shall be construed to authorize the certification of persons as certified shorthand reporters who rely exclusively upon the steno-mask for reporting judicial proceedings, except as provided by law. A refusal of the court to permit or to require any statement to be taken down by the court reporter or transcribed after being taken down, upon the same being shown by affidavit or other direct and competent evidence, to the Supreme Court, or other appellate court, shall constitute a denial of due process of law. The court reporter may use an electronic instrument as a supplementary device.

2. In any trial, hearing or proceedings, if no court reporter is available to the assigned judge:

- a. the judge before whom the matter is being heard may order the proceedings electronically recorded and a trial or proceedings may proceed without the necessity of a court reporter being present. Provided that if an official transcript is ordered then it shall be prepared by the official court reporter, or
- b. with approval of the judge, the parties may stipulate to the use of a freelance reporter and share the cost. If ordered, the transcript shall be prepared by the approved reporter and shall be considered the official transcript for all purposes.

B. Upon request of either party in a civil or criminal case, the reporter shall transcribe the proceedings in a trial or other judicial proceeding, or so much thereof as may be requested by the party, certify to the correctness of the transcript, and deliver the same in accordance with the rules of the Supreme Court. The fee for an original transcript shall be set by the Supreme Court. Two copies of the original transcript shall be furnished without

additional charge. Each page shall be at least twenty-five lines to the page and typed no fewer than nine characters to the typed inch. Each page shall be no more than double spaced and the margin on the left side of the page shall be no more than one and one-half (1 1/2) inches and the margin on the right side of the page shall be no more than one-half (1/2) inch from the edge of the paper. When the judge on his or her own motion orders a transcript of the reporter's notes, the judge may direct the payment of charges and the taxation of the charges as costs in such manner as the court deems appropriate. In a criminal action, if the defendant shall present to the judge an affidavit that the defendant intends in good faith to take an appeal in the case and that a transcript of the reporter's notes is necessary to enable the defendant to prosecute the appeal, and that he or she has not the means to pay for the transcript, the court, upon finding that there is reasonable basis for the averment, shall order the transcript made at the expense of the district court fund. The format preparation, delivery and filing of transcripts to be used in civil and criminal appeals may be regulated by the Supreme Court.

C. The court reporter shall file his or her records of the evidence and the proceedings taken in any case with the clerk of the court in which the case was tried.

transcript at public or court fund expense and the accused as an indigent is constitutionally entitled to a free copy of the transcript, a reporter shall prepare an original and two copies of the transcript so ordered and file it with the clerk of the trial court. If any reporter ceases to be the official reporter of the court, and thereafter makes a transcript of the notes taken by him while acting as official reporter, he shall swear to the transcript as true and correct and when so verified, the transcript shall have the same force and effect as if certified while he was an official reporter. A transcript of the notes of any reporter of the State Industrial Court, when certified or verified by such reporter who took the evidence in any hearing before such Industrial Court or any official thereof in any proceedings pending before such court, shall have the same force and effect as a transcript by a court reporter above mentioned, when such transcript is offered as a deposition in evidence in any subsequent trial or proceedings before any court of record wherein the parties are the same as the parties who took part in the proceedings before the State Industrial Court; that is, the same parties as the claimant and respondent before the Industrial Court; provided that, if such party, who is claimant before the Industrial Court, is deceased, then the provisions hereof shall apply if the subsequent action is by the personal representative of such deceased party in an action for wrongful death.

B. As used in Section 1101 et seq. of Title 20 of the Oklahoma Statutes, "federal Internal Revenue Code" means the federal Internal Revenue Code of 1954 or 1986, as amended and as applicable to a governmental plan as in effect on July 1, 1999.

C. For purposes of compliance with the federal Internal Revenue Code, the plan year for the System is the fiscal year beginning July 1 and the limitation year for purposes of Section 415 of the Internal Revenue Code is the calendar year.

D. Forfeitures arising from severance of employment, death, or for any other reason may not be applied to increase the benefits any member would otherwise receive under the System's law. However, forfeitures may be used to reduce the employer's contribution. Added by Laws 1999, c. 257, § 8, eff. July 1, 1999.

§20-1102. Eligibility for retirement - Vacancies - Reemployment - Calculation of post-retirement.

A. Any Justice or Judge of the Supreme Court, Court of Criminal Appeals, Workers' Compensation Court, Court of Appeals or District Court who serves as Justice or judge of any of said courts in the State of Oklahoma shall be a member of The Uniform Retirement System for Justices and Judges. For members whose initial service as a member of the System began prior to January 1, 2012, such member who serves for a period of eight (8) years or longer and upon reaching or passing the age of sixty-five (65) years, or who serves for a period of ten (10) years or longer and upon reaching or passing the age of sixty (60) years, or whose sum of years of service and age equal or exceeds eighty (80), after completing eight (8) years of judicial service, shall be eligible to receive the retirement benefits herein provided. For members whose initial service as a member of the System began on or after January 1, 2012, such member who serves for a period of eight (8) years or longer and upon reaching or passing the age of sixty-seven (67) years or who serves for a period of ten (10) years or longer and upon reaching or passing the age of sixty-two (62) years shall be eligible to receive the retirement benefits herein provided. In determining the periods of time above mentioned a major fraction of a year shall count as a whole year. If such Justice or judge is still serving in such capacity when the above requirements are complied with, the Justice or judge may elect to retire and may elect whether such retirement shall become effective immediately or at a specified time within the

term of the Justice or judge or at the expiration of the term of the Justice or judge. The Justice or judge shall file a written declaration with the System and the Court Administrator of his or her desire to retire. The Court Administrator shall notify the Governor within five (5) business days of receiving the Notice of Retirement.

B. Upon filing of an election by any Justice or judge to retire as authorized by Section 1101 et seq. of this title, the office held by such Justice or judge shall become vacated immediately or at the specified time within the term of the Justice or judge, or at the expiration of the term of the Justice or judge in accordance with the election of the Justice or judge desiring retirement status. Any such vacancy so created shall be filled in the manner provided by law and the Constitution.

C. If any retired member of the System should be elected or appointed to any judicial or other office covered by the System, the retirement compensation of the retired member shall be suspended during the period of time that the retired member holds such office and be reinstated upon leaving such office. Notwithstanding any other provision of this section or any other provision of law to the contrary, a retired Justice or judge shall be permitted to be employed by any college or university within The Oklahoma State System of Higher Education as a full-time or part-time member of the faculty or as a teacher in any common school or career and technology education entity without suspension of retirement benefits.

D. Any participating employer who is employing such a retiree as described in subsection C of this section shall make proper written notification to the System informing it of the beginning date of such retiree's employment. Any retiree returning to work for a participating employer shall make contributions to the System and the employer shall do likewise. All retirees who have returned to employment and participation in the System following retirement shall have post-retirement benefits calculated on one of the following methods:

1. All service accumulated from date of reemployment shall be computed based on the benefit formula applicable at that time, and the additional benefits shall be added to the previous benefits. Such additional benefits shall be calculated each year based upon additional service accrued from July 1 to June 30 of the previous year and the additional benefits, if any, will be added to the retiree's monthly benefit beginning January 1 of the year after the retiree terminates the post-retirement employment and begins to receive a benefit. However, the post-retirement service credit shall be cumulative, beginning with service credit accrued after the date of retirement, provided that the retiree has not received a distribution of the post-retirement contributions. All post-

retirement additional benefits shall be calculated using actual hours worked as well as the actual compensation received and upon which contributions are paid. Post-retirement service is not subject to the partial year round-up provisions of subsection A of this section, and only full years of service will result in an increase in a retiree's benefit.

2. Any retiree who returns to employment with a participating employer for a minimum period of thirty-six (36) consecutive months, shall have all service accumulated from date of reemployment counted as participating service. For purposes of determining the retirement benefits of such a member upon the termination of such reemployment, all creditable service of the member shall be computed based on the benefit formula applicable at the time of termination of such reemployment. A retiree who is not reemployed for the full thirty-six (36) consecutive months shall upon termination of such reemployment have only the additional amount added to his or her benefit.

3. The provisions of this section shall not be applicable to Section 1104B of this title.

Added by Laws 1968, c. 128, § 2. Amended by Laws 1969, c. 328, § 1, emerg. eff. May 7, 1969; Laws 1970, c. 219, § 1, emerg. eff. §20-1102.1. Repealed by Laws 2010, c. 435, § 6, eff. July 1, 2010.

§20-1102.2. Military service credit.

A. Any active member of the Uniform Retirement System for Justices and Judges who served in the Armed Forces of the United States, as defined in paragraph (23) of Section 902 of Title 74 of the Oklahoma Statutes, prior to membership in the Uniform Retirement System for Justices and Judges shall be granted service credit, not to exceed five (5) years, for those periods of active military service during which the member was a war veteran.

B. Any active member of the Uniform Retirement System for Justices and Judges who served in any branch of the United States Armed Forces or any component thereof, who was honorably discharged, and whose initial membership in the System began on or after July 1, 2000, may receive up to five (5) years of prior military service credit as otherwise provided in this section, only upon payment of the actuarial cost of the service credit as determined by the Board of Trustees pursuant to Section 1103G of this title. Any active

member of the Uniform Retirement System for Justices and Judges who served in any branch of the United States Armed Forces or any component thereof, who was honorably discharged and whose initial membership in the System began prior to July 1, 2000, and whose military service does not qualify as service which can be granted to a member under subsection A of this section, shall be eligible to purchase service credit pursuant to this subsection. For purposes of this subsection, "military service" means service in the Armed Forces of the United States by honorably discharged persons.

C. The combined amount of service credit granted under subsection A of this section and service credit purchased under subsection B of this section shall not exceed five (5) years.

D. For a person becoming a member of the System on or after July 1, 2003, if the military service credit authorized by this section is used to compute the retirement benefit of the member and the member retires from the System, such military service credit shall not be used to compute the retirement benefit in any other retirement system created pursuant to the Oklahoma Statutes and the member may receive credit for such service only in the retirement system from which the member first retires.

E. Effective December 12, 1994, and thereafter, a leave of absence on account of a period of qualified military service in the uniformed services of the United States within the meaning of Section 414(u)(5) of the federal Internal Revenue Code, followed by a return to service as a Justice or judge within ninety (90) days after completion of the period of service may be eligible for service credit under this System. Notwithstanding any provision of this plan to the contrary, contributions, benefits and service credit with respect to qualified military service will be allowed in accordance with Section 414(u) of the federal Internal Revenue Code. Added by Laws 1987, c. 236, § 159, emerg. eff. July 20, 1987. Amended by Laws 1990, c. 340, § 16, eff. July 1, 1990; Laws 1998, c. 419, § 4, eff. July 1, 1998; Laws 1999, c. 257, § 10, eff. July 1, 1999; Laws 2000, c. 311, § 1, eff. July 1, 2000; Laws 2003, c. 406, § 14, eff. July 1, 2003; Laws 2022, c. 96, § 3, eff. Nov. 1, 2022; Laws 2023, c. 146, § 1, eff. Nov. 1, 2023.

§20-1102A. Disability retirement - Amount - Survivor benefits - Determination of benefits.

A. Any Justice or judge of the Supreme Court, Court of Criminal Appeals, Court of Appeals, Workers' Compensation Court or district court who has reached the age of fifty-five (55) years and has served as Justice or judge of any of the named courts in the State of Oklahoma for a period of fifteen (15) continuous years or longer, next preceding application for disability retirement, may receive as retirement disability compensation a maximum monthly benefit in an amount equal to four percent (4%) of the average monthly salary

received by the member when the member served as a Justice or judge based on the last three (3) years of active service multiplied by the total number of years of service on the named courts. But in no event may such retirement disability of a Justice or judge who incurs a disability before July 1, 2004, exceed seventy percent (70%) or one hundred percent (100%), for a Justice or judge who incurs a disability after June 30, 2004, of the average monthly salary based on the highest three (3) years of active service and found applicable to such Justice or judge at the time of retirement, when such Justice or judge is ordered to retire from office with compensation by the Court on the Judiciary for the reason of physical disability preventing the proper performance of official duty. The decree of the Court on the Judiciary shall set forth the amount of compensation the Justice or judge so retired shall receive, which compensation shall be payable out of the State Judicial Retirement Fund. The only optional form of benefit payment available for disability benefits is Option A, as provided for in Section 3 of this act. Option A must be elected in accordance with the provisions of Section 3 of this act. Benefit payments shall cease upon the member's recovery from disability prior to the normal retirement date. Future benefits, if any, shall be paid based upon length of service and compensation as of the date of disability. In the event that disability ceases and the member returns to employment within the System, credited service to the date of disability shall be restored, and future benefits shall be determined accordingly.

B. For members of the System who are married on September 1, 2005, and who are still making the additional three percent (3%) surviving spouse contributions as of that date, the surviving spouse benefit shall be as follows:

1. The surviving spouse of a deceased Justice or judge having at least eight (8) years of service shall be entitled to receive survivor benefits in the amount herein prescribed, if married to the decedent ninety (90) days prior to the termination of the member's employment as a Justice or judge and has been so married to the member continuously for a period of at least three (3) years immediately preceding his death, provided that the required additional contributions are made;

2. Survivor benefits shall be payable in accordance with Section 1001 et seq. of this title if the surviving spouse has then attained the age of sixty (60) years or, if then under such age, immediately upon his attainment of that age or if the surviving spouse is disabled or when the deceased member served for a minimum of ten (10) years and the Workers' Compensation Court determines that the death arose out of and in the course of employment or when the deceased member would have met the requirements for retirement, whichever occurs first;

3. The amount of the benefits the surviving spouse may receive shall be as follows:

- a. fifty percent (50%) of the amount of benefits the deceased Justice or judge was receiving immediately prior to the member's death, or
- b. fifty percent (50%) of the amount the deceased Justice or judge would have been entitled to receive on the date of the member's death, the annual rate of such benefits to be determined without regard to whether the deceased Justice or judge had attained minimum retirement age at the time of the member's death, and
- c. such additional amounts as the surviving spouse is eligible for in accordance with Section 1103A of this title; or

4. In lieu of the benefits and provisions provided in paragraphs 1, 2, and 3, of this subsection, the members described in this subsection may elect upon retirement an Option A or B as provided in Section 3 of this act.

C. Members who are single as of September 1, 2005, and who made the additional three percent (3%) spousal contribution at any time prior to that date, may apply to receive a refund or transfer of such additional contributions and an unreduced retirement benefit. To receive this refund, the qualifying member must file an application for the refund with the System by December 1, 2005. The applicable contributions shall be transferred pursuant to this subsection and the procedures established by the Board. It is the intent of the Legislature that the excess contributions which were paid on a pretax basis and considered as picked up under the provisions of Section 414(h)(2) of the Internal Revenue Code of 1986 shall be transferred directly to an account established for the employee in the Oklahoma State Employees Deferred Savings Incentive Plan, created under 401 (a) of the Internal Revenue Code of 1986. The excess contributions which were paid on an after-tax basis and not considered picked up under the provisions of Section 414(h)(2) of the Internal Revenue Code of 1986 shall be transferred to the Deferred Compensation Plan created under 457 of the Internal Revenue Code of 1986. The provisions for refund or transfer contained in this subsection shall not take effect until the Board receives official written notice that this distribution satisfies the tax qualification requirements for governmental plans applicable to such refunds or transfers as specified in the Internal Revenue Code of 1986, as amended from time to time, and as applicable to governmental plans and the relevant regulatory provisions and guidance related thereto. The application and receipt of a refund under this subsection shall operate as an irrevocable waiver of any survivor benefit available under this act. In lieu of receiving a refund of contributions the member may elect at retirement to have a

survivor option as provided in Section 3 of this act with a reduced benefit. The Board of Trustees of the Uniform Retirement System for Justices and Judges shall promulgate any rules necessary to implement the provisions of this subsection.

D. Single members at the time of retirement who never made the additional three percent (3%) spousal contribution, as provided in Section 1103 of this title, shall receive an unreduced retirement benefit or may elect at retirement to have a survivor option as provided in Section 3 of this act with a reduced benefit. The Board of Trustees of the Uniform Retirement System for Justices and Judges shall promulgate any rules necessary to implement the provisions of this subsection.

E. Members who are married as of September 1, 2005, but who are not paying the additional three percent (3%) surviving spousal contribution as a result of waiver and consent of the spouse, shall be eligible for a survivor option as provided in Section 3 of this act.

F. Members who join the system after August 31, 2005, shall be eligible for a survivor option as provided in Section 3 of this act.

G. Any Justice, judge or surviving spouse meeting the requirements for disability retirement benefits as provided in this section may make application to the Court on the Judiciary for a determination of disability retirement benefits. The Justice, judge or surviving spouse making application shall be required by the Court on the Judiciary to be examined by two recognized physicians selected by the Court to determine the extent of disability of such applicant. The examining physicians shall furnish the Court a detailed written report of the disability of the examined applicant. The Court shall then determine whether the applicant, if the member is a Justice or judge, has a disability preventing the proper performance of the member's official duties. If the applicant is a surviving spouse the court shall determine whether such surviving spouse is disabled. If the Court determines that the applicant is disabled, the Court shall order disability retirement benefits as provided by this section. The Court shall require all persons receiving disability benefits to submit to a physical examination once each year for the three (3) years following the start of disability benefits. The Court shall select two physicians to examine such persons and if they are found no longer disabled by the examining physicians the Court shall terminate such disability benefits. The Justice, judge or surviving spouse shall then be entitled to receive such other benefits as they may be entitled to by law.

Added by Laws 1970, c. 104, § 1, eff. July 1, 1970. Amended by Laws 1974, c. 247, § 1, emerg. eff. May 23, 1974; Laws 1979, c. 255, § 1, eff. July 1, 1979; Laws 1982, c. 360, § 1, eff. Oct. 1, 1982; Laws 1989, c. 224, § 1, eff. July 1, 1989; Laws 1995, c. 318, § 1, eff.

§20-1102B. Benefits for surviving spouse of certain Justices or judges.

A. Any retired Justice or judge who, on the effective date of this act, is receiving benefits from the Oklahoma Judicial Retirement System, may bring his spouse under the survivor benefit provisions of the Judicial Retirement Act by filing a written statement with the director of the System within thirty (30) days from the effective date of this act declaring himself willing to accept a ten percent (10%) reduction of the retirement benefits to which he is entitled.

B. Any retired Justice or judge who was a member of the Oklahoma Judicial Retirement System on January 14, 1969, and who died while in active service before June 22, 1974, or died in retirement status between January 14, 1969, and the effective date of this act shall be considered to have brought his spouse under the survivor benefit provisions of the Oklahoma Judicial Retirement System. The surviving spouse of such Justice or judge, when otherwise eligible, shall be entitled, from and after the effective date of this act, to survivor benefits upon payment to the Oklahoma Judicial Retirement System of that amount of additional contributions which the deceased Justice or judge would have been required to make had the law permitted him to elect on January 13, 1969, to bring his spouse under the survivor benefit provisions of the Judicial Retirement System. If the contributions made to the System by such deceased Justice or judge while alive were refunded to his surviving spouse upon his death, the surviving spouse must also repay the amount thereof to the System when applying for benefits under the provisions hereof.

Added by Laws 1975, c. 120, §1.

§20-1102C. Retirement benefit options.

A. Except as otherwise provided for in this section and Section 1104.2 of this title, members who join the Uniform Retirement System for Justices and Judges on September 1, 2005, or thereafter, may elect to have the retirement benefit paid under one of the options provided in this section in lieu of having it paid in the form stated in Section 1104 of this title. The election of an option must be made prior to the member's retirement date or to receipt of a benefit after termination of service with a vested benefit. A specific person must be designated as joint annuitant at the time of the election of Option A or B. Election of an option is available with respect to the vested benefit. All retirement benefits of a married member shall be paid pursuant to the Option A plan as

provided for in this section unless the spouse of a member consents in writing for the unreduced benefits to be paid as provided for in Section 1104 of this title. The spouse of the member is not required to consent in writing to the election of the Option B plan by the member.

B. The amount of retirement benefit payable under an option shall be based on the age and sex of the member and the age and sex of the joint annuitant at the retirement date, and shall be such amount as to be the actuarial equivalent of the retirement benefit otherwise payable under Section 1104 of this title.

C. The retirement options are:

Option A. Joint and one-half to joint annuitant survivor. A reduced retirement benefit is payable to the retiree during his or her lifetime with one-half (1/2) of that amount continued to the joint annuitant during such joint annuitant's remaining lifetime, if any, after the death of the retiree. If the named joint annuitant dies at any time after the member's retirement date, but before the death of the retiree, the retiree shall return to the unreduced retirement benefit, including any postretirement benefit increases, the member would have received had the member not selected Option A. The benefit shall be determined at the date of death of the named joint annuitant. This increase shall become effective the first day of the month following the date of death of the named joint annuitant, and shall be payable for the retiree's remaining lifetime. The retiree shall notify the Uniform Retirement System for Justices and Judges of the death of the named joint annuitant in writing. In the absence of the written notice being filed by the member notifying the Uniform Retirement System for Justices and Judges of the death of the named joint annuitant within six (6) months of the date of death, nothing in this subsection shall require the Uniform Retirement System for Justices and Judges to pay more than six (6) months of retrospective benefits increase.

Option B. Joint and survivor. A reduced retirement benefit is payable to the retiree during his or her lifetime with that amount continued to the joint annuitant during the joint annuitant's remaining lifetime, if any, after the death of the retiree. If the named joint annuitant dies at any time after the member's retirement date, but before the death of the retiree, the retiree shall return to the unreduced retirement benefit, including any postretirement benefit increases, the member would have received had the member not selected Option B. The benefit shall be determined at the date of death of the named joint annuitant. This increase shall become effective the first day of the month following the date of death of the named joint annuitant, and shall be payable for the retiree's remaining lifetime. The retiree shall notify the Uniform Retirement System for Justices and Judges of the death of the named joint annuitant in writing. In the absence of such written notice being

filed by the member notifying the Uniform Retirement System for Justices and Judges of the death of the named joint annuitant within six (6) months of the date of death, nothing in this subsection shall require the Uniform Retirement System for Justices and Judges to pay more than six (6) months of retrospective benefits increase.

D. If a member who is eligible to retire in accordance with the provisions of this section or Section 1104 of this title but is not actually retired or is eligible to vest or has elected a vested benefit dies, the member's spouse may elect to receive benefits as a joint annuitant under Option B, calculated as if the member retired on the date of death, in lieu of receiving the member's accumulated contributions. However, no benefits shall be payable before the date the deceased member would have met the requirements for a normal or early retirement. The provisions of this paragraph shall be applicable to a surviving spouse of a deceased member who died prior to the effective date of this act, but only if no benefits or distributions have been previously paid.

§20-1103. Contributions - Oklahoma Judicial Retirement Fund - Returns.

A. Effective September 1, 2005, each Justice or judge who is a member of The Uniform Retirement System for Justices and Judges shall have eight percent (8%) of his or her current monthly salary withheld by the State of Oklahoma and deposited in a fund in the State Treasury which is hereby created and shall be known as the Oklahoma Judicial Retirement Fund. If a Justice or judge shall cease to be a Justice or judge of the above-mentioned courts, for any reason, before he or she has accumulated eight (8) years of accredited service, or dies after he or she has accumulated eight (8) years' service and having no survivor benefit, then all the contributions retained from his or her salary shall be paid to him or her or his or her named beneficiary, or his or her estate in case of no named beneficiary, and he or she shall have no further claim against the State of Oklahoma for retirement pay for his or her services to date.

B. Notwithstanding any provision to the contrary, the compensation taken into account for any judge or Justice in determining contributions or benefit accruals for any plan year is limited to the annual compensation limit under Section 401(a)(17) of the federal Internal Revenue Code.

§20-1103.2. Limit on employee contributions - Purchase of service credit - Rollovers.

A. Subject to the provisions of this section, employee contributions made to the System shall not exceed the maximum annual additions permissible under Section 415 of the federal Internal Revenue Code. Notwithstanding any other provisions of law to the contrary, the Board may modify a request by a member to make contributions to the System if the amount of the contributions would exceed the limits under Section 415(c) or Section 415(n) of the federal Internal Revenue Code subject to the following:

1. Where the System's law requires a lump sum payment, for the purchase of service credit, the Board may establish a periodic payment plan in order to avoid a contribution in excess of the limits under Section 415(c) or 415(n) of the federal Internal Revenue Code. The Board may by rule adopt a procedure for the pick-up of contributions for the purchase of service. However, the implementation of the pick-up is subject to a favorable ruling by the Internal Revenue Service; and

2. An eligible member in the System, as defined by Section 1526 of the federal Taxpayer Relief Act of 1997, may purchase service credit without regard to the limitations of Section 415(c)(1) of the federal Internal Revenue Code as provided by state law in effect on August 5, 1997.

B. Notwithstanding any other provision of law to the contrary, the Board may by rule permit the System to accept rollovers for the purchase of service.

C. If the Board's options under subsection A or B of this section will not avoid a contribution in excess of the limits under Section 415(c) or 415(n) of the federal Internal Revenue Code, the Board shall reduce or deny the contributions.

§20-1103.3. Deduction of employee contributions - Picked up contributions.

A. Employee contributions shall be deducted by the employer for such benefits as the Board is authorized to administer as provided for by law. Employee and employer contributions shall be remitted monthly, or as the Board may otherwise provide, to the Executive Director for deposit in the State Judicial Retirement Fund.

B. The employer shall pick up under the provisions of Section 414(h) (2) of the federal Internal Revenue Code and pay the contribution which the member is required by law to make to the System for all compensation earned after December 31, 1999. Although the contributions so picked up are designated as member contributions, such contributions shall be treated as contributions being paid by the participating employer in lieu of contributions by the member in determining tax treatment under the federal Internal Revenue Code and such picked up contributions shall not be includable in the gross income of the member until such amounts are distributed or made available to the member or the beneficiary of the member. The member, by the terms of this System, shall not have any option to choose to receive the contributions so picked up directly and the picked up contributions must be paid by the participating employer to the System.

C. Member contributions which are picked up shall be treated in the same manner and to the same extent as member contributions made prior to the date on which member contributions were picked up by the participating employer. Member contributions so picked up shall be included in gross salary for purposes of determining benefits and contributions under the System.

D. The employer shall pay the member contributions from the same source of funds used in paying salary to the member, by effecting an equal cash reduction in gross salary of the member.

The additional amounts described in subsection B of this section shall not be made to the surviving spouse if the member elects an Option A or Option B survivor option pursuant to Section 3 of this act.

B. Any eligible surviving spouse of a deceased Justice or judge, as described in subsection A of this section, shall receive an additional monthly survivor benefit, based upon the length of payments of the required contributions to provide the survivor benefits as set forth in Section 1103 of this title which were made prior to July 1, 1999, as follows:

Length of Payments	Survivor Benefit % Increase
1 month - 9 years, 11 months	5%
10 years - 19 years, 11 months	10%
20 years or more	15%

C. The survivor benefit increase shall be in addition to the fifty percent (50%) survivor benefit otherwise payable pursuant to Section 1102A of this title. An eligible surviving spouse of a deceased Justice or judge who, on September 30, 2004, is receiving benefits from the Uniform Retirement System for Justices and Judges shall be entitled to receive the survivor benefit increase set forth above beginning with the October 1, 2004, monthly benefit payment. For those retired members who die on or after July 1, 1999, the sum shall be Five Thousand Dollars (\$5,000.00). The benefit payable pursuant to this section shall be deemed, for purposes of federal income taxation, as life insurance proceeds and not as a death benefit if the Internal Revenue Service approves this provision pursuant to a private letter ruling request which shall be submitted by the board of trustees of the System for that purpose.

§20-1103G. Service credit - Computation of purchase price.

A. The Board of Trustees shall adopt rules for computation of the purchase price for service credit. These rules shall base the purchase price for each year purchased on the actuarial cost of the incremental projected benefits to be purchased. The purchase price shall represent the present value of the incremental projected benefits discounted according to the member's age at the time of purchase. Incremental projected benefits shall be the difference between the projected benefit said member would receive without purchasing the service credit and the projected benefit after purchase of the service credit computed as of the earliest age at which the member would be able to retire. Said computation shall assume an unreduced benefit and be computed using interest and mortality assumptions consistent with the actuarial assumptions adopted by the Board of Trustees for purposes of preparing the annual actuarial evaluation.

B. In the event that the member is unable to pay the purchase price provided for in this section by the due date, the Board of Trustees shall permit the members to amortize the purchase price over a period not to exceed sixty (60) months. Said payments shall be made by payroll deductions unless the Board of Trustees permits an alternate payment source. The amortization shall include interest in an amount not to exceed the actuarially assumed interest rate adopted by the Board of Trustees for investment earnings each year. Any member who ceases to make payment, terminates, retires or dies before completing the payments provided for in this section shall receive prorated service credit for only those payments made, unless the unpaid balance is paid by said member, his or her estate or successor in interest within six (6) months after said member's death, termination of employment or retirement, provided no retirement benefits shall be payable until the unpaid balance is paid, unless said member or beneficiary affirmatively waives the additional six-month period in which to pay the unpaid balance. The Board of Trustees shall promulgate such rules as are necessary to implement the provisions of this subsection.

C. Current contributing members who, as former members, withdrew their accumulated contributions, may amortize the cost of returning the withdrawn contributions over a period of not to exceed sixty (60) months. Said payments shall be made by payroll deductions unless the Board of Trustees permits an alternate payment source. The amortization shall include interest in an amount not to exceed the actuarially assumed interest rate adopted by the Board of Trustees for investment earnings each year. Any member who ceases to make payments, terminates, retires or dies before completing the payments provided in this subsection shall be refunded all related payments made, and all related credited service and other related benefits shall be canceled unless the unpaid balance is paid by said member, his or her estate or successor in interest within six (6) months after said member's death, termination of employment or retirement. No retirement benefits shall be payable until the unpaid balance is paid, unless said member or beneficiary affirmatively waives the additional six-month period in which to pay the unpaid balance. The Board of Trustees shall promulgate such rules as are necessary to implement the provisions of this subsection.

Added by Laws 1990, c. 340, § 19, eff. July 1, 1990. Amended by Laws 1993, c. 322, § 6, emerg. eff. June 7, 1993; Laws 1999, c. 257, § 17, eff. July 1, 1999.

On or before November 1, 2004, the Oklahoma Public Employees Retirement System shall conduct a study pursuant to this section. The study shall focus on restructuring the Uniform Retirement System for Justices and Judges to create a uniform contribution rate for all members of the System for the purpose of providing survivor benefits. The Oklahoma Public Employees Retirement System shall issue a report based on the findings of the study and shall include any recommendations for the implementation of a uniform contribution rate. The report shall be delivered to the President Pro Tempore of the Senate, the Chair of the Retirement and Group Health Committee of the Senate, the Chair of the Retirement Laws Committee of the House of Representatives and the Speaker of the House of Representatives no later than December 1, 2004.

Added by Laws 2004, c. 536, § 9, eff. July 1, 2004.

§20-1104. Retirement compensation.

Each justice or judge who is a member of The Uniform Retirement System for Justices and Judges upon retirement after June 30, 2004, shall be entitled to receive as retirement compensation, until changed by the Legislature, an annual amount, each monthly payment of which shall be in an amount equal to four percent (4%) of the

average monthly salary received by him or her as a justice or judge based on the highest three (3) years of active service multiplied by the number of total years of service and reduced according to the elected survivor option, if any. The amounts of compensation reported to the Oklahoma Public Employees Retirement System for the Uniform Retirement System for Justices and Judges, by the Office of Management and Enterprise Services prior to June 30, 2004, may be conclusively presumed as valid regarding the source of the compensation reported as salary for purposes of the accuracy of the employees' contributions and the computation of salary for the calculation of benefits. This presumption shall not include any computation error made by the Office of Management and Enterprise Services or the Oklahoma Public Employees Retirement System on behalf of the Uniform Retirement System for Justices and Judges. Provided, however, that no justice or judge retiring after June 30, 2004, may receive a monthly retirement benefit in excess of one hundred percent (100%) of the average monthly salary based on the highest three (3) years of active service and found applicable to such justice or judge at the time of retirement. Retirement compensation shall be payable monthly out of the State Judicial Retirement Fund by warrants prepared by the Executive Director of the Public Employees Retirement System and issued by the State Treasurer.

- A. All benefits paid from the System shall be distributed in accordance with the requirements of Section 401(a)(9) of the federal Internal Revenue Code and the regulations under that section. In order to meet these requirements, the System shall be administered in accordance with the following provisions:

1. Distributions of a member's benefits must begin no later than the date required by Section 401 of the federal Internal Revenue Code;

2. The life expectancy of a member or a member's spouse may not be recalculated after the benefits commence;

C. The retirement compensation payable to a Justice or judge who was a member of The Uniform Retirement System for Justices and Judges on June 30, 1979, shall not be less than the retirement compensation that would have been payable had the provisions of the System on such date have continued without change including the ten percent (10%) increase provided in this section.

(1) In the event a plan of the Retirement System is terminated or in the event of complete discontinuation of contributions or is partially terminated, the right of all participants or in the event of partial termination the rights of the affected participants, whether retired or otherwise, shall become fully vested.

(2) In the event of termination of the plan, the board of trustees shall distribute the net assets of the fund, allowing a period of not less than six (6) nor more than nine (9) months for dissolution of disability claims, as follows:

(a) First, accumulated contributions shall be allocated to each respective participant, former participant, retired member, joint annuitant or beneficiary then receiving payments. If these assets are insufficient for this purpose, they shall be allocated to each such person in the proportion which his accumulated contributions bear to the total of all such participants' accumulated contributions. For purposes of this section, contribution means payment into the System by an employer or employee for the benefit of an individual employee.

(b) The balance of such assets, if any, remaining after making the allocations provided in subparagraph (a) of this section shall be disposed of by allocating to each person then having an interest

in the fund the excess of his retirement income under the plan less the retirement income which is equal to the actuarial equivalent of the amount allocated to him under subparagraph (a) of this section. Such allocation shall be made with the full amount of the remaining assets to be allocated to the persons in each group in the following order of precedence:

- (i) those retired members, joint annuitants or beneficiaries receiving benefits,
- (ii) those members eligible to retire,
- (iii) those members eligible for early retirement,
- (iv) former participants electing to receive a vested benefit, and
- (v) all other members.

In the event the balance of the fund remaining after all allocations have been made with respect to all retirement income in a preceding group is insufficient to allocate the full actuarial equivalent of such retirement income to all persons in the group for which it is then being applied, such balance of the fund shall be allocated to each person in such group in the proportion which the actuarial equivalent of the retirement income allocable to him pursuant to such group bears to the total actuarial equivalent of the retirement income so allocable to all persons in such group.

Provided no discrimination in value results, the board of trustees shall distribute the amounts so allocated in one of the following manners as the board of trustees in their discretion may determine:

- (i) by continuing payment of benefits as they become due, or
- (ii) by paying, in cash, the amount allocated to any such person.

8. The obligation of The Uniform Retirement System for Justices and Judges to pay an alternate payee pursuant to a qualified domestic order shall cease upon the death of the related member.
