The person whose commitment is sought shall be personally served with notice of the pending commitment proceeding in the manner as provided by the laws of this state; and nothing in this act shall affect his right to appear and be heard in the proceedings. Upon commitment, such person, when admitted to any facility operated by any such agency within or without this state shall be subject to the rules and regulations of the Veterans Administration or other agency. The chief officer of any facility of the Veterans Administration or institution operated by any other agency of the United States to which the person is so committed shall with respect to such person be vested with the same powers as superintendents of state hospitals for mental diseases within this state with respect to retention of custody, transfer, parole or discharge. Upon effecting any such transfer, the committing court or proper officer thereof shall be notified thereof by the transferring agency. No person shall be transferred to the Veterans Administration or other agency of the United States if he be confined pursuant to conviction of any felony or misdemeanor or if he has been acquitted of the charge solely on the ground of insanity, unless prior to transfer the court or other authority originally committing such person shall enter an order for such transfer after appropriate motion and hearing.
