15 Prior to the introduction of any bill or joint resolution

19 copy of the proposed bill to the Legislative Actuary. The Actuary
20 shall determine whether the proposed bill is a mandate bill having a
21 fiscal impact on insurance premiums or a mandate bill not having a
22 fiscal impact on insurance premiums and provide a written
23 certification of that determination to the member. If the proposed
24 bill is then introduced into the Legislature, it shall have attached

1 the certification of the Actuary. If the bill is certified as a
2 mandate bill having a fiscal impact, its introduction shall be
3 limited by the provisions of this act.

4 SECTION 4. NEW LAW A new section of law to be codified
5 in the Oklahoma Statutes as Section 6013 of Title 36, unless there
6 is created a duplication in numbering, reads as follows:

10 according to the applicable deadlines established by the House of
11 Representatives or the Senate only in any odd-numbered year during
12 the regular session. It may be passed by the Legislature only
13 during an even-numbered year of the regular session. Any mandate
14 bill determined by the Legislative Actuary in an even-numbered year
15 to be a fiscal mandate bill may be introduced in an even-numbered
16 year but shall not be considered by the Legislature.

17 B. When a mandate bill having a fiscal impact is introduced, it
18 shall be assigned to the respective House of Representatives or
19 Senate standing committee or subcommittee that is responsible for
20 the consideration of health insurance legislation. If a majority of
21 the total membership of such committee is opposed to the bill on its
22 merits, no actuarial investigation provided for in this act shall be
23 necessary and the bill shall not be reported out by the committee
24 and shall not be adopted or considered by the Legislature. If a

1 majority of the committee votes in favor of an actuarial
2 investigation of the bill, the investigation shall be required as
3 provided in this act. No mandate bill having a fiscal impact may be
4 reported out of the committee to which it is assigned or considered
5 and adopted by the House of Representatives or Senate without an
6 actuarial investigation.

7 SECTION 5. NEW LAW A new section of law to be codified
8 in the Oklahoma Statutes as Section 6014 of Title 36, unless there
9 is created a duplication in numbering, reads as follows:

10 A. A bill or joint resolution mandating a health plan to
11 provide coverage that has a fiscal impact on insurance premiums that
12 the committee may consider may be amended, if necessary, by the
13 committee. If a mandate bill having a fiscal impact is changed by
14 the committee to which it is assigned, the change shall be
15 accomplished only by a substitute bill.

16 B. Immediately after a mandate bill having a fiscal impact has
17 been considered and the committee has voted in favor of an actuarial
18 investigation, the chair of the committee to which the bill was
19 assigned shall transmit an exact copy of the bill, as amended by a
20 substitute bill by the committee, if applicable, to the Legislative
21 Actuary. The submission of the bill to the Actuary shall have
22 attached a letter signed by the chair of the committee requesting
23 the Actuary to complete an actuarial investigation of the bill.

24

1 SECTION 6. NEW LAW A new section of law to be codified
2 in the Oklahoma Statutes as Section 6015 of Title 36, unless there
3 is created a duplication in numbering, reads as follows:

4 A. If an actuarial investigation of a bill or joint resolution
5 mandating a health plan to provide coverage having a fiscal impact
6 on insurance premiums is requested under this act, it shall be the
7 duty of the Legislative Actuary to complete his or her investigation
8 not later than December 1 of the same year during which the request
9 for the actuarial investigation was made.

10 B. By no later than December 1 of the same year that the
11 request for an actuarial investigation is made, the completed
12 actuarial investigation shall be submitted by the Actuary to the
13 chair of the committee who requested the investigation. It shall
14 include a summary of the findings of the Actuary.

15 C. The chair of the committee, upon receipt of the information
16 provided for under subsection B of this section, shall cause the
17 summary of the actuarial investigation to be attached to all copies
18 of the version of the bill that was submitted to the Actuary and
19 shall make the bill available to committee members, other
20 legislators and any other interested parties. The summary of the
21 actuarial investigation shall be attached to the original version of
22 the substitute bill, as amended by the committee if applicable, or
23 to the original version of the bill as introduced if the bill was
24

1 not changed by the committee prior to its submission to the Actuary
2 for actuarial investigation.

3 SECTION 7. NEW LAW A new section of law to be codified
4 in the Oklahoma Statutes as Section 6016 of Title 36, unless there
5 is created a duplication in numbering, reads as follows:

6 A. When a bill or joint resolution mandating a health plan to
7 provide coverage having a fiscal impact on insurance premiums has
8 had an actuarial investigation pursuant to this act, the bill may be
9 considered at the next regular session of the Legislature, if the
10 bill as originally introduced was not changed by the committee and
11 the original version was submitted to the Legislative Actuary for an
12 actuarial investigation. Provided, however, that the original
13 version of the bill is the only one, except as otherwise provided by
14 this section, that may be considered by the committee to which it is
15 assigned or by the House of Representatives or the Senate. If the
16 original bill was substituted by the committee and the substitute
17 version was the version submitted to the Actuary, the substitute
18 bill is the only one, except as otherwise provided by this section,
19 that may be considered by the committee or by the House of
20 Representatives or the Senate.

21 B. After completion of an actuarial investigation, any
22 amendment to a mandate bill having a fiscal impact shall be out of
23 order and shall not be allowed either by a committee or by the House
24 of Representatives or the Senate without submission to the

1 Legislative Actuary. Any amendment to a mandate bill having a
2 fiscal impact shall be submitted to the Actuary by the chair of the
3 committee, if a committee amendment, or by the Presiding Officer of
4 the Senate or the House of Representatives on the day the amendment
5 is filed, if a floor amendment. If the Actuary certifies in writing
6 that the amendment is a nonfiscal amendment and provides an
7 actuarial certification as required in this act, then the bill as
8 amended, with the certification attached to the original of the
9 amendment, may continue in the legislative process. If the Actuary
10 issues a certification that the amendment is a fiscal amendment, the
11 progress of the bill shall end and the bill shall not be considered
12 further by either the House of Representatives or the Senate.

13 C. An amendment to a mandate bill having a fiscal impact that
14 is prohibited by subsection B of this section may be withdrawn by
15 the committee that made the amendment, if a committee amendment, or
16 by the Senate or House of Representatives, if a floor amendment. If
17 the amendment is withdrawn, the bill may continue in the legislative
18 process as any other bill, unless it is subsequently amended.

19 SECTION 8. NEW LAW A new section of law to be codified
20 in the Oklahoma Statutes as Section 6017 of Title 36, unless there
21 is created a duplication in numbering, reads as follows:

22 The enrolled act resulting from a bill that is subject to the
23 legislative procedures provided for in this act shall have attached
24 thereto the original or a true and correct copy of all certificates

1 and summaries of actuarial investigations submitted by the
2 Legislative Actuary pursuant to the requirements of this act.

3 SECTION 9. AMENDATORY 74 O.S. 2011, Section 452.15, is
4 amended to read as follows:

6 authorized and directed to enter into a contract with a person or
