SUBJECT: Law enforcement training academies

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 70 O.S. 2011, Section 3311.5, as last amended by Section 1 of Enrolled Senate Bill No. 656 of the 1st Session of the 57th Oklahoma Legislature (70 O.S. Supp. 2018, Section 3311.5), is amended to read as follows:

Section 3311.5. A. On and after November 1, 2007, the Council on Law Enforcement Education and Training (CLEET), pursuant to its authority granted by Section 3311 of this title, shall include in its required basic training courses for law enforcement certification a minimum of four (4) hours of education and training relating to recognizing and managing a person appearing to require

mental health treatment or services. The Council shall further offer a minimum of four (4) hours of education and training on specific mental health issues pursuant to Section 3311.4 of this title to meet the annual requirement for continuing education in the areas of mental health issues.

B. By January 1, 2008, CLEET, pursuant to its authority granted by Sections 3311 and 3311.4 of this title, shall include in its required courses of study for law enforcement certification a minimum of six (6) hours of evidence-based sexual assault and sexual violence training. A portion of the sexual assault and sexual violence training shall include instruction presented by a certified sexual assault service provider.

C. By January 1, 2012, every active full-time peace officer, previously certified by CLEET pursuant to Section 3311 of this title, shall be required to attend and complete the evidence-based sexual assault and sexual violence training provided in subsection B of this section.

D. CLEET shall promulgate rules to enforce the provisions of subsections B and C of this section and shall, with the assistance of certified sexual assault service providers, establish a comprehensive integrated curriculum for the teaching of evidence-based sexual assault and sexual violence issues.

E. The Council is required to update that block of training or course materials relating to legal issues, concepts, and state laws annually, but not later than ninety (90) days following the adjournment of any legislative session.

F. By January 1, 2009, CLEET, pursuant to its authority granted by Sections 3311 and 3311.4 of this title, shall include in its required courses of study for law enforcement certification oil field equipment theft training.

G. By January 1, 2012, CLEET, pursuant to its authority granted by Sections 3311 and 3311.4 of this title, shall establish and include in its required courses of study for law enforcement certification a minimum of eight (8) hours of evidence-based domestic violence and stalking investigation training. The training should include, at a minimum, the importance of reporting domestic

violence incidents, determining the predominant aggressor, evidence-based investigation of domestic violence and stalking, lethality assessment, and personal safety planning necessary at the pretrial stages of a potential criminal case. A portion of the training shall include instruction presented by an expert victim advocate selected from recommendations provided by the Office of the Attorney General or the Domestic Violence Fatality Review Board. The training shall be developed in collaboration with the Domestic Violence Fatality Review Board, and where applicable, shall replace existing domestic violence and stalking courses currently required.

H. By January 1, 2012, the evidence-based domestic violence and stalking investigation curriculum developed in collaboration with the Domestic Violence Fatality Review Board shall be submitted to the Council for approval.

I. CLEET shall establish the training provided in subsection G of this section as a part of CLEET's peace officer continuing education program and develop a plan to train full-time peace officers previously certified by CLEET pursuant to Section 3311 of this title where applicable. The Office of the Attorney General shall provide a list of expert victim advocates that are available to assist in the training.

J. The Council is authorized to pay for and send training staff and employees to one or more training and education courses in jurisdictions outside this state for the purpose of expanding curriculum, training skill development, and general knowledge within the field of law enforcement education and training.

K. On and after November 1, 2013, CLEET, pursuant to its authority granted by Section 3311 of this title, shall include in its required basic training courses for law enforcement certification a minimum of two (2) hours of education and training relating to recognizing and managing a person experiencing dementia or Alzheimer's disease.

L. The Council shall promulgate rules to evaluate and approve municipalities and counties that are deemed capable of conducting separate basic law enforcement training academies in their jurisdiction and to certify officers successfully completing such academy training courses. Upon application to the Council, any

municipality with a population of sixty-five thousand (65,000) or more or any county with a population of five hundred thousand (500,000) or more shall be authorized to operate a basic law enforcement academy. In addition, upon application and approval from the Council, a municipality with a population under sixty-five thousand (65,000) or a county with a population under five hundred thousand (500,000) may be authorized to operate a basic law enforcement academy; provided, however, the Council may approve no more than two such applications per year. The Council shall approve an application when the municipality or county making the application meets the criteria for a separate training academy and demonstrates to the satisfaction of the Council that the academy has sufficient resources to conduct the training, the instructional staff is appropriately trained and qualified to teach the course materials, the curriculum is composed of comparable or higher quality course segments to the CLEET academy curriculum, and the facilities where the academy will be conducted are safe and sufficient for law enforcement training purposes. Any municipality or county authorized to operate a basic law enforcement academy after November 1, 2007, shall not be eligible to receive funds pursuant to subsection E of Section 1313.2 of Title 20 of the Oklahoma Statutes. The Council shall not provide any funding for the operation of any separate training academy authorized by this subsection.

M. Any municipality or county that, prior to November 1, 2007, was authorized to conduct a basic law enforcement academy shall continue to receive funding pursuant to subsection E of Section 1313.2 of Title 20 of the Oklahoma Statutes.

SECTION 2. This act shall become effective November 1, 2019.
