BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 10A O.S. 2011, Section 1-4-811, as  
amended by Section 5, Chapter 173, O.S.L. 2015 (10A O.S. Supp. 2018,  
Section 1-4-811), is amended to read as follows:

Section 1-4-811. A. 1. The court shall conduct a permanency  
hearing to determine the appropriate permanency goal for the child

1 and to order completion of all steps necessary to finalize the  
2 permanent plan. The hearing shall be held no later than:

- 3 a. six (6) months after placing the child in out-of-home  
4 placement and every six (6) months thereafter, and
- 5 b. thirty (30) days after a determination by the court  
6 that reasonable efforts to return a child to either  
7 parent are not required pursuant to the provisions of  
8 Section 1-4-809 of this title.

9 2. A child shall be considered to have entered out-of-home  
10 placement on the earlier of:

- 11 a. the adjudication date, or
- 12 b. the date that is sixty (60) days after the date on  
13 which the child is removed from the home.

14 3. Subsequent permanency hearings shall be held at least every  
15 six (6) months for any child who continues to be in an out-of-home  
16 placement. At the request of a party, the Department of Human  
17 Services, or on the motion of the court, the initial and subsequent  
18 permanency hearings may be held more frequently.

19 4. At each permanency hearing, the court may consider testimony  
20 of any person who has relevant information about the status of the  
21 child or the status of the treatment plan. All parties shall have  
22 the opportunity to present evidence and to cross-examine witnesses.  
23 The rules of evidence shall not apply to permanency hearings and all  
24 evidence helpful in determining the proper permanency goal shall be

1 considered including, but not limited to, oral and written reports,  
2 which may be admitted and may be relied upon to the extent of their  
3 probative value, even though not competent for the purposes of the  
4 adjudicatory hearing.

5 5. The permanency plan for the child in transition to a  
6 successful adulthood shall be developed in consultation with the  
7 child and, at the option of the child, with up to two members of the  
8 permanency planning team to be chosen by the child, excluding the  
9 foster parent and caseworker for the child, subject to the following  
10 provisions:

11 a. one individual selected by the child may be designated  
12 to be the advisor and, as necessary, advocate of the  
13 child, with respect to the application of the  
14 reasonable and prudent parent standard to the child,  
15 and

16 b. the Department of Human Services may reject an  
17 individual selected by the child to be a member of the  
18 permanency planning team at any time if the Department  
19 has good cause to believe that the selected individual  
20 would not act in the best interests of the child.

21 B. A permanency hearing may be held concurrently with a  
22 dispositional or review hearing.

23 C. If a foster parent, preadoptive parent, or relative is  
24 currently providing care for a child, the Department shall give the

1 foster parent, preadoptive parent, or relative notice of a  
2 proceeding concerning the child. A foster parent, preadoptive  
3 parent, or relative providing care for a child has the right to be  
4 heard at the proceeding. Except when allowed to intervene, the  
5 foster parent, preadoptive parent, or relative providing care for  
6 the child is not considered a party to the juvenile court proceeding  
7 solely because of notice and the right to be heard at the  
8 proceeding.

9 D. At the hearing, the court shall determine or review the  
10 continued appropriateness of the permanency plan of the child and  
11 whether a change in the plan is necessary, the date by which the  
12 goal of permanency for the child is scheduled to be achieved, and  
13 whether the current placement of the child continues to be the most  
14 suitable for the health, safety, and welfare of the child. The  
15 court shall also, in an age-appropriate manner, inquire or cause  
16 inquiry to be made of the child regarding the proposed permanency  
17 plan and if the child is age fourteen (14) or older, the planning  
18 for the transition of the child to a successful adulthood.

19 E. A transcript shall be made of each permanency hearing or the  
20 proceeding shall be memorialized by appropriate written findings of  
21 facts, and the court having considered all relevant information  
22 shall order one of the following permanency plans for the child:

23 1. Reunification with the parent, parents, or legal guardian of  
24 the child where:

1 a. reunification can be expected to occur within an  
2 established time frame that is consistent with the  
3 developmental needs of the child, and

4 b. the health and safety of the child can be adequately  
5 safeguarded if returned home;

6 2. Placement for adoption after the rights of the parents have  
7 been terminated or after a petition has been filed to terminate  
8 parental rights;

9 3. Placement with a person who will be the permanent guardian  
10 of the child and is able to adequately and appropriately safeguard  
11 the health, safety, and welfare of the child; or

12 4. a. Placement in the legal custody of the Department under  
13 a planned alternative permanent placement, provided  
14 the child is age sixteen (16) or older and there are  
15 compelling reasons documented by the Department and  
16 presented to the court at each permanency hearing that  
17 include the intensive, ongoing and, as of the date of  
18 the hearing, unsuccessful efforts made to:

19 (1) return the child home, or

20 (2) place the child with a fit and willing relative,  
21 including adult siblings, a legal guardian, or an  
22 adoptive parent, and  
23  
24

1 (3) find biological family members for the child  
2 utilizing search technology, including social  
3 media.

4 b. The Department shall also document at each permanency  
5 hearing the steps taken, including inquiry of the  
6 child in an age-appropriate manner, to ensure that:

- 7 (1) the foster family home of the child or facility  
8 where the child is placed is following the  
9 reasonable and prudent parent standard, and  
10 (2) the child has regular, ongoing opportunities to  
11 engage in age-appropriate or developmentally  
12 appropriate activities.

13 c. When a planned alternative permanent placement is the  
14 court-ordered permanency plan for the child, the court  
15 shall at each permanency hearing:

- 16 (1) ask the child about the permanency outcome the  
17 child desires, and  
18 (2) make a judicial determination, as of the date of  
19 the hearing, why a planned alternative permanent  
20 placement is the best permanency plan for the  
21 child and provide compelling reasons why it  
22 continues to not be in the best interests of the  
23 child to return home or be placed for adoption  
24

1 with a legal guardian or with a fit and willing  
2 relative.

3 F. In addition to the findings required under subsection E of  
4 this section, the court shall also make written findings related to:

5 1. Whether the Department has made reasonable efforts to  
6 finalize the permanency plan that is in effect for the child and a  
7 summary of the efforts the Department has made; or, in the case of  
8 an Indian child, whether the Department has made active efforts to  
9 provide remedial services and rehabilitative programs as required by  
10 25 U.S.C., Section 1912(d);

11 2. If the permanency plan is for the child to remain in out-of-  
12 home care, whether the child's out-of-home placement continues to be  
13 appropriate and in the best interests of the child;

14 3. If the current placement is not expected to be permanent,  
15 the court's projected timetable for return home or for placement in  
16 an adoptive home with a guardian, or another planned permanent  
17 living arrangement; and

18 4. Whether reasonable efforts, in accordance with the safety or  
19 well-being of any child, have been made to:

20 a. place siblings, who have been removed, together in the  
21 same foster care, guardianship, or adoptive placement,  
22 and  
23  
24

1           b.    provide for frequent visitation or other ongoing  
2                    interaction in the case of siblings who have been  
3                    removed and who are not placed together.

4           G.    The court may make appropriate orders to ensure timely  
5 implementation of the permanency plan and shall order the plan to be  
6 accomplished within a specified period of time.
