11 for updated home study if previous home study is less
12 than three years old; and providing an effective
13 date.

14 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

15 SECTION 1. AMENDATORY 10 O.S. 2011, Section 7505-5.3, as
16 amended by Section 1, Chapter 242, O.S.L. 2012 (10 O.S. Supp. 2018,
17 Section 7505-5.3), is amended to read as follows:

18 Section 7505-5.3 A. A home study satisfying Section 7505-5.1
19 or 7505-5.2 of this title must include at a minimum the following:

20 1. An appropriate inquiry to determine whether the proposed
21 home is a suitable one for the minor; and any other circumstances
22 and conditions which may have a bearing on the adoption and of which
23 the court should have knowledge; and in this entire matter of
24 investigation, the court is specifically authorized to exercise
judicial knowledge and discretion;

1 2. Documentation of at least one individual interview with each
2 parent, each school-age child and any other household member, one
3 joint interview, a home visit, and three written references;

4 3. Verification that the home is a healthy, safe environment in
5 which to raise a minor, as well as verification of marital status,
6 employment, income, access to medical care, physical health and
7 history; and

8 4. A review of a criminal background check and a child abuse
9 and neglect information system check.

10 a. A background check shall be required for adoptive
11 parents and all other household members eighteen (18)
12 years of age and older, consisting of a review of a
13 national fingerprint-based criminal background check,
14 a search of the Department of Corrections' files
15 maintained pursuant to the Sex Offenders Registration
16 Act, and a search of the child abuse and neglect
17 information system maintained for review by authorized
18 entities by the Department of Human Services.

19 b. A Department of Public Safety Motor Vehicle Report
20 shall be required for adoptive parents and all other
21 adult household members when the child to be adopted
22 is in the legal custody of the Department of Human
23 Services.
24

- 1 c. For each adoptive parent or other household member
2 eighteen (18) years of age or older who has not
3 maintained continuous residency in the state for five
4 (5) years prior to the home study or home study
5 update, a child abuse registry check shall be required
6 from every other state in which the prospective
7 adoptive parent or other adult household member has
8 resided during such five-year period.
- 9 d. Each prospective adoptive parent or other household
10 member eighteen (18) years of age or older shall be
11 required to cooperate with the requirements of the
12 Department of Human Services and the Oklahoma State
13 Bureau of Investigation with regard to the criminal
14 background check and child abuse check, including but
15 not limited to signing a release of information
16 allowing the release of the results of any search to
17 the agency or person conducting the home study or home
18 study update.
- 19 e. Upon completion of the criminal record checks and
20 child abuse and neglect checks, the Department of
21 Human Services and the Oklahoma State Bureau of
22 Investigation shall forward all information obtained
23 to the agency or other person authorized in Section
24 7505-5.4 of this title to conduct home study

1 investigations who has requested the background
2 searches.

3 B. A home study which is being updated or brought current in
4 accordance with subsection A of Section 7505-5.1 of this title shall
5 document appropriate inquiry into changes in the family situation
6 since the last home study, a home visit, at least one joint
7 interview, information on any children added to the family,
8 experiences, if any, of the adoptive parents as parents since the
9 last study, verification of current physical health, and three
10 current letters of reference.

11 C. An updated home study as described in subsection B of this
12 section shall include a review of criminal background checks and
13 child abuse and neglect checks as described in subsection A of this
14 section. However, when a national fingerprint background check has
15 been done within the five (5) years previous to the completion of
16 the updated home study and the results are available for review by
17 the home study investigator, then a name-based search of the records
18 of the Oklahoma State Bureau of Investigation on the adoptive
19 parents and other household residents over the age of eighteen (18)
20 for whom the fingerprint background check has been performed shall
21 satisfy the requirements for a criminal background check for
22 purposes of a home study update. When a home study has been done
23 within three (3) years previous to the completion of the updated
24 home study and the previous home study is available for review by

1 the home study investigator, then the prospective adoptive parents
2 shall not pay another home study fee for the updated home study.

3 D. 1. A preplacement home study or update which is being used
4 solely for purposes of international adoption shall not require a
5 national fingerprint-based criminal background search in addition to
6 the one required by the United States Immigration and Naturalization
7 Service.

8 2. Such an international home study shall contain a review of a
9 state criminal background check, a search of the Department of
10 Corrections' files maintained pursuant to the Sex Offenders
11 Registration Act, and a search of the child abuse and neglect
12 information system maintained for review by authorized entities by
13 the Department of Human Services.

14 3. An international home study or home study update as
15 described in this section must include a statement that the home
16 study recommendation is for international adoption purposes only and
17 may not be used as the basis for a domestic adoption without the
18 addition of a review of the results of a national fingerprint-based
19 criminal background search if such would be required by subparagraph
20 c of paragraph 4 of subsection A of this section.

21 E. The report of such home study or home study update shall
22 become a part of the files in the case and shall contain a definite
23 recommendation for or against the proposed adoption and the reasons
24 therefor.

1 F. Following issuance of an interlocutory decree of adoption,
2 or if the interlocutory decree is waived, prior to issuance of a
3 final decree, the investigator conducting the home study or another
4 investigator who meets the qualifications specified in Section 7505-
5 5.4 of this title, shall observe the minor in the proposed adoptive
6 home and report in writing to the court on any circumstances or
7 conditions which may have a bearing on the granting of a final
8 adoption decree. If the interlocutory decree was not waived, the
9 investigator must certify that the final examination described in
10 this subsection has been made since the granting of the
11 interlocutory order. This supplemental report shall include a
12 determination as to the legal availability or status of the minor
13 for adoption and shall be filed prior to the final decree of
14 adoption.

15 SECTION 2. This act shall become effective November 1, 2019.
