Fiscal Analysis

The CCR A on HB 1341, upon review by fiscal staff and with consultation from the Alcoholic Beverage Laws Enforcement Commission (ABLE), is determined to have a minimal positive revenue impact on the state- as the measure will allow some business to apply and pay for multiple licenses. The revenue from these licenses goes to the General Revenue Fund and the surcharge on the licenses goes to ABLE. The exact amount is dependent upon how many businesses choose to apply for more than one license.
