

BILL SUMMARY
1st Session of the 57th Legislature

Bill No.:	HB 1927
Version:	FA1
Request Number:	
Author:	Rep. Roe
Date:	3/4/2019
Impact:	Increases a felony maximum sentence, possible costs for DOC

Research Analysis

Pending

Prepared By: House Research Staff

Fiscal Analysis

The FA1 on HB 1927 increases 2 felony maximum sentences and increases the type of medical provider eligible to be charged. This could create possible costs for DOC in order to accommodate longer sentences. The overall impact is dependent upon how many people are ultimately convicted of the crime and the length of their sentences.
