

BILL SUMMARY
1st Session of the 57th Legislature

Bill No.:	HB 1995
Version:	Rep. Nollan
Request Number:	7639
Author:	INT
Date:	2/18/2019
Impact:	Minimal Potential Savings

Research Analysis

HB 1995, as introduced, clarifies the requirement that a county sheriff keep audio and video recordings from equipment attached to an officer. The measure also directs a county to keep certain recordings for a minimum of one year, and to develop a video retention schedule for other recordings.

Prepared By: Sean Webster

Fiscal Analysis

In review with county officials, indications were that the provisions for limitations on retention of video items may result in possible savings for sheriff's offices. No specific estimate is available at this time.
