

BILL SUMMARY
1st Session of the 57th Legislature

Bill No.:	HB 2148
Version:	INT
Request Number:	5080
Author:	Rep. Pfeiffer
Date:	2/8/2019
Impact:	ODAFF: \$0 Fiscal Impact anticipated.

Research Analysis

HB 2148 prohibits grocery stores that participate in the Special Supplemental Nutrition Program for Women, Infants, and Children (WIC) from selling only specialty — free-range, organic, or enriched colony cage — eggs; they must also sell eggs from conventional caged hens. The measure does not apply to grocery stores selling only specialty eggs prior to January 1, 2018.

Prepared By: Tricia Hines

Fiscal Analysis

After analysis, the measure, per the Oklahoma Department of Agriculture, Food and Forestry, has \$0 fiscal impact anticipated to the state.
