Research Analysis

HB 2161 restricts a paid firefighter for a fire protection district from being a director of that district. The measure also authorizes the board of directors for a fire protection district to regulate outdoor burning.

Fiscal Analysis

Provisions of the measure include certain qualifications of directors of a fire protection district and gives the power to regulate outdoor burning to the board; such rules to be submitted for approval by voters at the same time as otherwise regularly scheduled elections as set by the board. No measureable fiscal or revenue impact to the state of its subdivisions is anticipated.
