Research Analysis

The 2nd Proposed Committee Substitute for HB 2337 provides that funds from the County Improvements for Roads and Bridges Fund be apportioned in equal amounts to all 77 counties. The measure also provides directs that the Circuit Engineering District of which the county is a member manage the funds. A board of county commissioners may opt out of management of its county's funds by the Circuit Engineering District, instead having the funds deposited in the county bridge and road improvement fund. Finally, funding for a specific project may be utilized to obtain additional federal matching funds, when matching funds are available.
