

BILL SUMMARY
1st Session of the 57th Legislature

Bill No.:	HB 2631
Version:	INT
Request Number:	7356
Author:	Rep. Echols
Date:	2/12/2019
Impact:	Minimal

Research Analysis

HB2631, as introduced, directs the Workers' Compensation Commission to review the fee schedule in 2019 to provide a 3% increase in maximum reimbursement rate for physicians and hospitals for a three-year period.

Prepared By: Anna Rouw

Fiscal Analysis

HB 2631, directs the Commission to revise the 2019 fee schedule to provide a 3% increase in maximum rate of reimbursement to physicians and hospitals for a period of 3 years. This would have a minimal impact on state funds, however, it would make workers' compensation claims more expensive to pay out.

Prepared By: Kristina King

Other Considerations

None.
