

Bill Summary
2nd Session of the 57th Legislature

Bill No.:	HB 1799
Version:	ENGR
Request No.:	
Author:	Sen. Montgomery
Date:	03/18/2020

Bill Analysis

HB 1799 modifies the duties of the Secretary of State as it relates to compiling and publishing state statutes. The measure provides for the annual compilation, codification, and annotation of state statutes in an electronic and accessible format to the public free of charge. The measure authorizes the Secretary to contract with a third party to carry these duties.
