

Bill Summary
1st Session of the 57th Legislature

Bill No.:	SB 1002
Version:	FS1
Request No.:	2096
Author:	Sen. Leewright
Date:	03/11/2019

Floor Substitute (FS)

The FS for SB 1002 creates the Electric Cooperative Pole Attachment Partnership Act. The measure requires any rural electric cooperative to provide the formula by which it calculates a pole attachment rate to any entity that pays to attach to a pole owned by the rural electric cooperative upon request. Rural electric cooperatives are not obligated to provide the exact costs associated with each component in the formula.
