

Bill Summary
1st Session of the 57th Legislature

Bill No.:	SB 1018
Version:	FS2
Request No.:	2072
Author:	Sen. Rosino
Date:	03/11/2019

Floor Substitute (FS)

The FS for SB 1018 amends the Oklahoma Emergency Response Systems Development Act by authorizing stretcher vans to carry oxygen. The measure also prohibits the Commissioner of Health from adopting Federal Specification KKK-A-1822, which is the federal definition of an ambulance. Stretcher vans must meet Ambulance Manufacturers Division Standards 004, 012 and 013, and must pass corresponding safety tests.
