

Bill Summary
1st Session of the 57th Legislature

Bill No.:	SB 1027
Version:	INT
Request No.:	776
Author:	Sen. Dahm
Date:	02/04/2019

Bill Analysis

SB 1027 creates a sunset date for the Water Quality Management Advisory Council, the Hazardous Waste Management Advisory Council, the Solid Waste Management Advisory Council, and the Radiation Management Advisory Council on July 1, 2022.

Prepared by: Kalen Taylor

Fiscal Analysis

Impact: None

SB 1027 creates a sunset provision for several advisory councils to the Environmental Quality Board. Members of the councils are not compensated, but they are provided travel reimbursements, which could lower costs to the Department in the future.
