Bill Analysis

SB 1185 removes the requirement for an honorably discharged veteran to present a valid Oklahoma driver license or state photo identification card and military discharge papers in order to receive free admission to a state park. Additionally, the measure provides for veterans to receive free admission for one vehicle, which must be pre-registered with the Oklahoma Tourism and Recreation Department using appropriate veteran documentation. For museums, veterans must show appropriate veteran documentation at time of entry, which may include an Oklahoma driver license, state photo identification card, or military discharge papers.
