

**Bill Summary**  
2<sup>nd</sup> Session of the 57<sup>th</sup> Legislature

<b>Bill No.:</b>	<b>SB 1366</b>
<b>Version:</b>	<b>INT</b>
<b>Request No.:</b>	<b>2745</b>
<b>Author:</b>	<b>Sen. Coleman</b>
<b>Date:</b>	<b>01/14/2020</b>

**Bill Analysis**

SB 1366 authorizes district attorneys to destroy records pertaining to wildlife cases relating to a misdemeanor after a period of 5 years since the last action on the case and if the district attorney has digitized the records. The measure also adds digitization, in addition to computer storage provided for in current law, as a valid method of record keeping as it relates to the destruction of records involving felonies, juvenile offenses, and civil cases.
