Bill Analysis

SB 1538 modifies the Education Open Transfer Act. The measure states that an application to transfer to a statewide virtual charter school may not be denied by the student's resident district if the district does not offer a full-time virtual education program that is equivalent to a program offered by a statewide virtual charter school. The measure also provides that, beginning with the 2020-21 school year, the transfer of students into and out of a statewide virtual charter school shall be subject to the provisions of the Education Open Transfer Act.
