

Bill Summary
1st Session of the 57th Legislature

Bill No.:	SB 267
Version:	INT
Request No.:	647
Author:	Sen. Dahm
Date:	01/14/2019

Bill Analysis

SB 267 directs each school district, if funding is available, to install and maintain a panic button system. The system must connect the caller to a 911 operator, be available for use from a smartphone or similar device, and be limited to authorized users. The Oklahoma School Security Institute must provide a way for a public school to geo-fence the school campus and provide and manage floor plans and other documents to assist emergency responders. Additionally, the Institute must provide the training associated with the system.
