

Bill Summary
1st Session of the 57th Legislature

Bill No.:	SB 290
Version:	INT
Request No.:	149
Author:	Sen. Dossett
Date:	01/14/2019

Bill Analysis

SB 290 includes the use of vapor products, as defined by the measure, in relevant statutes related to the prohibition of tobacco products in certain areas. The measure prohibits the use of vapor products in buildings owned by the state, all parts of a zoo, indoor workplaces, and indoor areas open to the general public. Institutions in higher education, commercial airports, and subdivisions of the state may also include vaping as part of their nonsmoking areas.
