Bill Analysis

SB 304 prohibits the operation of unmanned aircraft, as defined by the measure, over private agricultural property. The measure exempts the federal government, law enforcement, state government and its political subdivisions, contractors working on behalf of the federal or state government, utilities/oil and gas companies with an existing easement or right-of-way, commercial operations authorized by the FAA, or persons with written consent from the landowner. The measure provides a misdemeanor penalty of up to \$500.00 and/or imprisonment of up to one year for violators of the new law.
