Request No.:	1342
Author:	Sen. Pugh
Date:	01/18/2019

Bill Analysis

SB 436 requires workers involved in hospice and palliative care to receive at least one hour of in-service training per year in Alzheimer's- and dementia-related care. Additionally, the measure requires the State Commissioner of Health to promulgate rules related to training health-care workers in Alzheimer's- and dementia-related care. Current law requires the State Board of Health to promulgate these rules. The State Department of Health is directed to establish training requirements for the program.
