

Bill Summary
1st Session of the 57th Legislature

Bill No.:	SB 50
Version:	INT
Request No.:	1617
Author:	Sen. Young
Date:	12/13/2018

Bill Analysis

SB 50 requires each school district to provide to each student in grades six through twelve and their parents or guardians at least one parent-child communication training annually. The training will focus on pregnancy prevention, abstinence practices, prevention of sexually transmitted infections and diseases and safe and healthy relationships. The measure encourages schools to coordinate with community-based programs to provide materials and resources.
