

Bill Summary
1st Session of the 57th Legislature

Bill No.:	SB 582
Version:	INT
Request No.:	1345
Author:	Sen. Silk
Date:	01/25/2019

Bill Analysis

SB 582 requires each monthly school board meeting to receive a financial report detailing the district's financial condition, revenues, and encumbrances. The report must be posted on the district's website within thirty days of the board receiving it.

Prepared by: Kalen Taylor

Fiscal Analysis

No impact.

Requires at each regular meeting of a school district board of education that a monthly financial report be submitted to the board. Specifies the report shall include a report from the local treasurer, a report of revenues and expenses and encumbrances and related change orders. It also requires that the report be posted on the web site of the school district within 30 days of submission to the board.
