Bill No.:	SB 666
Version:	INT
Request No.:	1681
Author:	Sen. Pugh
Date:	01/28/2019

Bill Analysis

SB 666 provides for an automatic, reciprocal occupational license to be given to members of the armed services or their spouses ordered to deploy in the state. Applicants for an occupational license must apply within fourteen days of entering the state and must possess a license in another state with requirements roughly equivalent to Oklahoma's requirements to possess said license.
