| Bill No.: | SB 801 |
| Version: | INT |
| Request No.: | 1215 |
| Author: | Sen. Smalley |
| Date: | 01/30/2019 |

Bill Analysis

SB 801 modifies the authority of “Certified Registered Nurse Anesthetists” to administer anesthesia. The measure specifies that the nurse will administer the drug in collaboration with, instead of under the supervision of a physician. Additionally, the measure removes the requirement for a nurse to administer the drug under conditions in which timely, onsite consultation with a physician is possible.
