1st Session of the 57th Legislature

Bill No.:	SB 808
Version:	INT
Request No.:	1031
Author:	Sen. Bice
Date:	01/30/2019

Bill Analysis

SB 808 requires direct wine shippers to file monthly reports with the ABLE Commission, rather than the currently required quarterly reports. The report must include the physical address of the cosignor shipping the wine and the name and physical address of the consumer ordering the shipment. The measure authorizes third parties monitoring compliance with Constitutional provisions related to wine shippers, to request Confidential Wine Shipment Reports from the ABLE Commission.
