

Bill Summary
1st Session of the 57th Legislature

Bill No.:	SB 9
Version:	INT
Request No.:	145
Author:	Sen. Dossett
Date:	11/27/2018

Bill Analysis

SB 9 specifies that a student must complete three units of competency in history and citizenship skills in the eleventh or twelfth grade to graduate high school. Of those three units of competency, students must complete 1 full year of American History, a semester of U.S. Government, and a semester of Oklahoma History. The measure also removes the U.S. History component from statewide assessments administered to students.
