

Bill Summary
1st Session of the 57th Legislature

| | |
|---------------------|-------------------|
| Bill No.: | SB 91 |
| Version: | INT |
| Request No.: | 1341 |
| Author: | Sen. Pugh |
| Date: | 12/27/2018 |

Bill Analysis

SB 91 states that it is the intent of the Legislature that the State Department of Health sufficiently funds the "cognitive decline" and "caregiving" modules in the Behavioral Risk Factor Surveillance System survey. The Department may utilize state, federal, and other financial resource to accomplish this task.
