Such plan shall include an estimate of the number of jobs created and jobs retained in this state as a result of the applicant's qualified investments; and

5. A nonrefundable application fee of Five Thousand Dollars (\$5,000.00) payable to the Department.

B. Within thirty (30) days after the receipt of a completed application, the Department shall grant or deny the application in full or in part. The Department shall deny the application if:

1. The applicant does not satisfy all the criteria provided under subsection A of this section;

2. The revenue-impact assessment submitted with the application does not demonstrate that the applicant's business plan will result in a positive fiscal impact on the state over a ten-year period that exceeds the cumulative amount of tax credits that would be issued to the applicant if the application was approved; or

3. The Department has already approved the maximum amount of capital investment authority under Section 4 of this act.

C. If the Department denies any part of the application, it shall inform the applicant of the grounds for such denial. If the applicant provides any additional information required by the Department or otherwise completes its application within fifteen (15) days of the notice of denial, the application shall be considered complete as of the original date of submission. If the

applicant fails to provide the information or fails to complete its application within the fifteen-day period, the application shall remain denied and must be resubmitted with a new submission date and a new application fee.

D. Upon approval of an application, the Department shall certify the proposed equity investment as a capital investment eligible for credits under this act, subject to limitations laid out in Section 4 of this act. Applications received on the same day shall be deemed to have been received simultaneously. For applications that are complete and received on the same day, the Department shall certify applications in proportionate percentages based upon the ratio of the amount of capital investment authority requested in all applications.

SECTION 4. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 3933 of Title 68, unless there is created a duplication in numbering, reads as follows:

A. The Department shall certify capital investment authority under the provisions of this act in amounts that would not authorize more than Fifteen Million Dollars (\$15,000,000.00) in state tax credits to be claimed against state tax liability in any calendar year, excluding any credit amounts carried forward as provided under subsection A of Section 5 of this act. Within ninety (90) days of the applicant receiving notice of certification, the rural fund shall issue the capital investment to and receive cash in the amount of the certified amount from a rural investor. At least ten percent (10%) of the rural investor's capital investment shall be composed of capital raised by the rural investor directly or indirectly from sources including directors, members, employees, officers, and affiliates of the rural investor, other than the amount invested by the allocatee claiming the tax credits in exchange for such allocation of tax credits. The rural fund shall provide the Department with evidence of the receipt of the cash investment within ninety-five (95) days of the applicant receiving notice of certification.

B. If the rural fund does not receive the cash investment and issue the capital investment within such time period following receipt of the certificate notice, the certification shall lapse and

the rural fund shall not issue the capital investment without reapplying to the Department for certification. Lapsed certifications shall revert to the Department and shall be reissued pro rata to applicants whose capital investment allocations were reduced in accordance with the application process provided under subsection D of Section 3 of this act.

C. A rural fund, before making a qualified investment, may request from the Department a written opinion as to whether the business in which it proposes to invest is an eligible business. The Department, no later than fifteen (15) business days after the date of receipt of such request, shall notify the rural fund of its determination. If the Department fails to notify the rural fund of its determination by the twentieth business day, the business in which the rural fund proposes to invest shall be deemed an eligible business.

SECTION 5. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 3934 of Title 68, unless there is created a duplication in numbering, reads as follows:

A. Upon making a capital investment in a rural fund, a rural investor shall have a right to a credit against such entity's state tax liability that may be utilized on each credit allowance date of such capital investment in an amount equal to the applicable percentage for such credit allowance date multiplied by the purchase price paid to the rural fund for the capital investment. The amount of the credit claimed by a rural investor shall not exceed the amount of such entity's state tax liability for the tax year for which the credit is claimed. Any amount of credit that a rural investor is prohibited from claiming in a tax year as a result of this section may be carried forward for use in any of the five (5) subsequent tax years, but shall not be carried back to prior tax years. It is the intent of this act that a rural investor claiming a credit under this act is not required to pay any additional tax that may arise as a result of claiming such credit.

B. No credit claimed under the provisions of this act shall be refundable or saleable on the open market. Credits earned by or allocated to a partnership, limited liability company, or S-corporation may be allocated to the partners, members, or shareholders of such entity for their direct use in accordance with the provisions of any agreement among such partners, members, or shareholders, and a rural fund shall notify the Department of the names of the entities that are eligible to utilize transfer of a

capital investment upon such allocation, change, or transfer. Such allocation shall not be considered a sale for the purpose of this section.

C. The Department may recapture credits from a taxpayer that claimed a credit authorized under this section if:

1. The rural fund does not invest sixty percent (60%) of its capital investment authority in qualified investments in this state within two (2) years of the credit allowance date, and one hundred percent (100%) of its capital investment authority in qualified investments in this state within three (3) years of the credit allowance date; provided, that at least seventy percent (70%) of these initial qualified investments must be made in eligible businesses located in rural areas;

2. The rural fund fails to maintain qualified investments equal to ninety percent (90%) of its capital investment authority from the third anniversary until the sixth anniversary of the credit allowance date, with seventy percent (70%) of such investments maintained in eligible businesses located in rural areas. For each year the rural fund fails to maintain such investments, the Department may recapture an amount of such year's allowed credits equal to the percentage difference between ninety percent (90%) of a rural fund's capital investment authority and the actual amount of qualified investments maintained for such year. For the purposes of this subsection, a qualified investment is considered even if the qualified investment was sold or repaid so long as the rural fund reinvests an amount equal to the capital returned or recovered or repaid by the rural fund from the original investment, exclusive of any profits realized, in other qualified investments in this state within twelve (12) months of receipt of such capital. Amounts received periodically by a rural fund shall be treated as continually invested in qualified investments if the amounts are reinvested in one or more qualified investments by the end of the following calendar year. A rural fund shall not be required to reinvest capital returned from qualified investments after the fifth anniversary of the credit allowance date, and such qualified investments shall be considered held continuously by the rural fund through the sixth anniversary of the credit allowance date;

3. Prior to the earlier of exiting the program in accordance with this act or thirty (30) days after the sixth anniversary of the credit allowance date, the rural fund makes a distribution or payment that results in the rural fund having less than one hundred

percent (100%) of its capital investment authority invested in qualified investments in the state or held in cash or other marketable securities; or

4. The rural fund violates the provisions of Section 6 of this act, in which case the Department may recapture an amount equal to the amount of the rural fund's capital investment authority found to be in violation of such provisions.

For the purposes of meeting and maintaining the objectives established for investment in paragraphs 1 and 2 of this subsection, a rural fund's qualified investments shall be multiplied by a factor of one and one-quarter (1 1/4) in counties with less than thirty thousand (30,000) in population and more than thirteen thousand (13,000) in population and shall be multiplied by a factor of one and one-half (1 1/2) in counties with a population of thirteen thousand (13,000) or less.

D. Recaptured credits and related capital investment authority shall revert to the Department and shall be reissued pro rata to applicants whose capital investment allocations were reduced in accordance with the application process provided under subsection D of Section 3 of this act.

E. No recapture shall occur until the rural fund has been given notice of noncompliance and afforded six (6) months from the date of such notice to cure the noncompliance.

SECTION 6. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 3935 of Title 68, unless there is created a duplication in numbering, reads as follows:

No eligible business that receives a qualified investment under the provisions of this act, or any affiliates of such eligible business, shall directly or indirectly:

1. Own or have the right to acquire an ownership interest in a rural fund or member or affiliate of a rural fund including, but not limited to, a holder of a capital investment issued by a rural fund; or

2. Loan to or invest in a rural fund or any member or affiliate of a rural fund including, but not limited to, a holder of capital investment issued by a rural fund, where the proceeds of such loan

or investment are directly or indirectly used to fund or refinance the purchase of capital investments under this act.

SECTION 7. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 3936 of Title 68, unless there is created a duplication in numbering, reads as follows:

A. Rural funds shall submit a report to the Department within the first fifteen (15) business days after the second and third anniversary of the initial credit allowance date. The report following the second anniversary shall provide documentation as to the investment of sixty percent (60%) of the purchase price of such capital investment in qualified investments. The report following the third anniversary shall provide documentation as to the investment of one hundred percent (100%) of the purchase price of such capital investment in qualified investments. Unless previously reported pursuant to this subsection, such reports shall also include:

1. The name and location of each eligible business receiving a qualified investment;

2. Bank statements of such rural fund evidencing each qualified investment;

3. A copy of the written opinion of the Department, as provided in subsection C of Section 4 of this act, or evidence that such business was an eligible business at the time of such qualified investment, as applicable;

4. The number of jobs created and jobs retained as a result of each qualified investment;

5. The average salary of positions described in paragraph 4 of this subsection; and

6. Such other information as required by the Department.

B. For all subsequent years, rural funds shall submit an annual report to the Department within ninety (90) days of the beginning of the calendar year during the compliance period. The report shall include, but is not limited to, the following:

1. The number of jobs created and jobs retained as a result of qualified investments;

2. The average annual salary of positions described in paragraph 1 of this subsection; and

3. Such other information as required by the Department.

C. On or after the sixth anniversary of the credit allowance date, a rural fund may apply to the Department to exit the program and no longer be subject to the regulation hereunder. The Department shall respond to the exit application within fifteen (15) days of receipt. In evaluating the exit application, the fact that no credits have been recaptured and that the rural fund has not received a notice of recapture that has not been cured pursuant to subsection E of Section 5 of this act shall be sufficient evidence to prove that the rural fund is eligible for exit. The Department shall not unreasonably deny an exit application submitted under this section. If an exit application is denied, the notice shall include the reasons for the determination.

SECTION 8. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 3937 of Title 68, unless there is created a duplication in numbering, reads as follows:

The Department shall accept no new applications for tax credits authorized under this act after December 1, 2032.

It is specifically provided that no liability whatsoever, civil or criminal, shall attach to any member of the Tax Commission or any employee thereof for any error or omission of any name or address in the preparation and publication of the list.

E. The Tax Commission shall prepare or cause to be prepared a report on all provisions of state tax law that reduce state revenue through exclusions, deductions, credits, exemptions, deferrals or other preferential tax treatments. The report shall be prepared not later than October 1 of each even-numbered year and shall be submitted to the Governor, the President Pro Tempore of the Senate and the Speaker of the House of Representatives. The Tax Commission may prepare and submit supplements to the report at other times of the year if additional or updated information relevant to the report becomes available. The report shall include, for the previous fiscal year, the Tax Commission's best estimate of the amount of state revenue that would have been collected but for the existence of each such exclusion, deduction, credit, exemption, deferral or other preferential tax treatment allowed by law. The Tax Commission may request the assistance of other state agencies as may be needed to prepare the report. The Tax Commission is authorized to require any recipient of a tax incentive or tax expenditure to report to the Tax Commission such information as requested so that the Tax Commission may fulfill its obligations as required by this

subsection. The Tax Commission may require this information to be submitted in an electronic format. The Tax Commission may disallow any claim of a person for a tax incentive due to its failure to file a report as required under the authority of this subsection.

F. It is further provided that the provisions of this section shall be strictly interpreted and shall not be construed as permitting the disclosure of any other information contained in the records and files of the Tax Commission relating to income tax or to any other taxes.

G. Unless otherwise provided for in this section, any violation of the provisions of this section shall constitute a misdemeanor and shall be punishable by the imposition of a fine not exceeding One Thousand Dollars (\$1,000.00) or by imprisonment in the county jail for a term not exceeding one (1) year, or by both such fine and imprisonment, and the offender shall be removed or dismissed from office.

H. Offenses described in Section 2376 of this title shall be reported to the appropriate district attorney of this state by the Tax Commission as soon as the offenses are discovered by the Tax Commission or its agents or employees. The Tax Commission shall make available to the appropriate district attorney or to the authorized agent of the district attorney its records and files pertinent to prosecutions, and such records and files shall be fully admissible as evidence for the purpose of such prosecutions.
