9 COMMITTEE SUBSTITUTE

10 An Act relating to schools; amending 70 O.S. 2011,
11 Section 11-103.6, as last amended by Section 44,
12 Chapter 25, O.S.L. 2019 (70 O.S. Supp. 2020, Section
13 11-103.6), which relates to curriculum standards;
14 modifying history, social studies and government
15 subject matter standards; adding study of significant
16 historical documents; including the structure and
17 relationship between levels of government; adding
18 simulations of the democratic process; amending 70
19 O.S. 2011, Section 1210.508, as last amended by
20 Section 1, Chapter 479, O.S.L. 2019 (70 O.S. Supp.
21 2020, Section 1210.508), which relates to statewide
22 student assessments; requiring administration of
23 United States naturalization test; prohibiting
24 eligibility for graduation unless students pass test;
 and providing an effective date.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. **AMENDATORY** 70 O.S. 2011, Section 11-103.6, as
last amended by Section 44, Chapter 25, O.S.L. 2019 (70 O.S. Supp.
2020, Section 11-103.6), is amended to read as follows:

1 Section 11-103.6 A. 1. The State Board of Education shall
2 adopt subject matter standards for instruction of students in the
3 public schools of this state that are necessary to ensure there is
4 attainment of desired levels of competencies in a variety of areas
5 to include language, mathematics, science, social studies and
6 communication.

7 2. School districts shall develop and implement curriculum,
8 courses and instruction in order to ensure that students meet the
9 skills and competencies as set forth in this section and in the
10 subject matter standards adopted by the State Board of Education.

11 3. All students shall gain literacy at the elementary and
12 secondary levels. Students shall develop skills in reading,
13 writing, speaking, computing and critical thinking. For purposes of
14 this section, critical thinking means a manner of analytical
15 thinking which is logical and uses linear factual analysis to reach
16 a conclusion. They also shall learn about cultures and environments
17 - their own and those of others with whom they share the earth.
18 Students, therefore, shall study social studies, literature,
19 languages, the arts, mathematics and science. Such curricula shall
20 provide for the teaching of a hands-on career exploration program in
21 cooperation with technology center schools.

22 4. The subject matter standards shall be designed to teach the
23 competencies for which students shall be tested as provided in
24 Section 1210.508 of this title, and shall be designed to prepare all

1 students for active citizenship, employment and/or successful
2 completion of postsecondary education without the need for remedial
3 coursework at the postsecondary level.

4 5. The subject matter standards shall be designed with rigor as
5 defined in paragraph 3 of subsection F of this section.

6 6. The subject matter standards for English Language Arts shall
7 give Classic Literature and nonfiction literature equal
8 consideration to other literature. In addition, emphasis shall be
9 given to the study of complete works of literature.

10 7. At a minimum, the subject matter standards for mathematics
11 shall require mastery of the standard algorithms in mathematics,
12 which is the most logical, efficient way of solving a problem that
13 consistently works, and for students to attain fluency in Euclidian
14 geometry.

15 8. The subject matter standards for history, social studies and
16 United States Government shall include study of important historical
17 documents, including the United States Constitution, Declaration of
18 Independence, Emancipation Proclamation, Federalist Papers and other
19 documents with significant history and heritage of the United
20 States, and the content of the United States naturalization test,
21 with an emphasis on the specific content of the test and the ideas
22 and concepts it references. The Beginning with the 2022-2023 school
23 year, the United States naturalization test shall be made available
24 administered in physical and electronic online formats as an

1 ~~optional assessment tool for teachers~~ accordance with subparagraph c
2 of paragraph 1 of subsection E of Section 1210.508 of this title.

3 9. The subject matter standards for United States Government
4 shall include an emphasis on civics, the structure and relationship
5 between the national, state, county and local governments and
6 simulations of the democratic process. For the purposes of this
7 section, "civics" means the study of the rights and duties of
8 Oklahoma and United States citizens and of how those governments
9 work.

10 B. Subject to the provisions of subsection C of this section,
11 in order to graduate from a public high school accredited by the
12 State Board of Education with a standard diploma, students shall
13 complete the following college preparatory/work ready curriculum
14 units or sets of competencies at the secondary level:

15 1. Four units or sets of competencies of English to include
16 Grammar, Composition, Literature, or any English course approved for
17 college admission requirements;

18 2. Three units or sets of competencies of mathematics, limited
19 to Algebra I, Algebra II, Geometry, Trigonometry, Math Analysis,
20 Calculus, Advanced Placement Statistics, or any mathematics course
21 with content and/or rigor above Algebra I and approved for college
22 admission requirements;

23 3. Three units or sets of competencies of laboratory science
24 approved for college admission requirements, including one unit or

1 set of competencies of life science, meeting the standards for
2 Biology I; one unit or set of competencies of physical science,
3 meeting the standards for Physical Science, Chemistry or Physics;
4 and one unit or set of competencies from the domains of physical
5 science, life science or earth and space science such that the
6 content and rigor is above Biology I or Physical Science;

7 4. Three units or sets of competencies of history and
8 citizenship skills, including one unit of American History, ~~1/2~~ one-
9 half unit of Oklahoma History, ~~1/2~~ one-half unit of United States
10 Government and one unit from the subjects of History, Government,
11 Geography, Economics, Civics, or non-Western culture and approved
12 for college admission requirements;

13 5. Two units or sets of competencies of the same foreign or
14 non-English language or two units of computer technology approved
15 for college admission requirements, whether taught at a high school
16 or a technology center school, including computer programming,
17 hardware, and business computer applications, such as word
18 processing, databases, spreadsheets, and graphics, excluding
19 keyboarding or typing courses;

20 6. One additional unit or set of competencies selected from
21 paragraphs 1 through 5 of this subsection or career and technology
22 education courses, concurrently enrolled courses, Advanced Placement
23 courses or International Baccalaureate courses approved for college
24 admission requirements; and

1 7. One unit or set of competencies of fine arts, such as music,
2 art, or drama, or one unit or set of competencies of speech.

3 C. In lieu of the requirements of subsection B of this section
4 which requires a college preparatory/work ready curriculum, a
5 student may enroll in the core curriculum as provided in subsection
6 D of this section upon written approval of the parent or legal
7 guardian of the student. For students under the age of eighteen
8 (18) school districts shall require a parent or legal guardian of
9 the student to meet with a designee of the school prior to
10 enrollment in the core curriculum. The State Department of
11 Education shall develop and distribute to school districts a form
12 suitable for this purpose, which shall include information on the
13 benefits to students of completing the college preparatory/work
14 ready curriculum as provided for in subsection B of this section.

15 D. For those students subject to the requirements of subsection
16 C of this section, in order to graduate from a public high school
17 accredited by the State Board of Education with a standard diploma,
18 students shall complete the following core curriculum units or sets
19 of competencies at the secondary level:

20 1. Language Arts - 4 Four units or sets of competencies, to
21 consist of 1 one unit or set of competencies of grammar and

9 competencies which may include, but are not limited to, the
10 following courses:

- 11 a. Algebra II,
12 b. Geometry or Geometry taught in a contextual
13 methodology,
14 c. Trigonometry,
15 d. Math Analysis or Precalculus,
16 e. Calculus,
17 f. Statistics and/or Probability,
18 g. Computer Science or acceptance and successful
19 completion of one (1) year of a full-time, three-hour
20 career and technology program leading to an industry
21 credential/certificate or college credit. The State
22 Board of Career and Technology Education shall
23 promulgate rules to define the provisions of this act
24 related to the accepted industry-valued credentials

1 which are industry-endorsed or industry-aligned. The
2 list of accepted industry-valued credentials shall be
3 reviewed annually and updated at least every three (3)
4 years by the Board,

5 h. (1) contextual mathematics courses which enhance
6 technology preparation, or

7 (2) a science, technology, engineering and math
8 (STEM) block course meeting the requirements for
9 course competencies listed in paragraph 2 of
10 subsection B of this section, whether taught at

11 a:

12 (a) comprehensive high school, or

13 (b) technology center school when taken in the
14 tenth, eleventh or twelfth grade, taught by
15 a certified teacher, and approved by the
16 State Board of Education and the independent
17 district board of education,

18 i. mathematics courses taught at a technology center
19 school by a teacher certified in the secondary subject
20 area when taken in the tenth, eleventh or twelfth
21 grade upon approval of the State Board of Education
22 and the independent district board of education, or

23 j. any other mathematics course with content and/or rigor
24 equal to or above Algebra I;

1 3. Science - ~~3~~ Three units or sets of competencies, to consist
2 of ~~1~~ one unit or set of competencies of Biology I or Biology I
3 taught in a contextual methodology, and ~~2~~ two units or sets of

- 9 c. Biology II,
- 10 d. Chemistry II,
- 11 e. Physical Science,
- 12 f. Earth Science,
- 13 g. Botany,
- 14 h. Zoology,
- 15 i. Physiology,
- 16 j. Astronomy,
- 17 k. Applied Biology/Chemistry,
- 18 l. Applied Physics,
- 19 m. Principles of Technology,
- 20 n. qualified agricultural education courses,
- 21 o. (1) contextual science courses which enhance
22 technology preparation, or
23 (2) a science, technology, engineering and math
24 (STEM) block course meeting the requirements for

1 course competencies listed in paragraph 3 of
2 subsection B of this section, whether taught at
3 a:

4 (a) comprehensive high school, or

5 (b) technology center school when taken in the
6 tenth, eleventh or twelfth grade, taught by
7 a certified teacher, and approved by the
8 State Board of Education and the independent
9 district board of education,

10 p. science courses taught at a technology center school
11 by a teacher certified in the secondary subject area
12 when taken in the tenth, eleventh or twelfth grade
13 upon approval of the State Board of Education and the
14 independent district board of education, or

15 q. other science courses with content and/or rigor equal
16 to or above Biology I;

17 4. Social Studies - ~~3~~ Three units or sets of competencies, to
18 consist of ~~1~~ one unit or set of competencies of United States
19 History, ~~1/2~~ one-half to ~~1~~ one unit or set of competencies of United
20 States Government, ~~1/2~~ one-half unit or set of competencies of
21 Oklahoma History, and ~~1/2~~ one-half to ~~1~~ one unit or set of
22 competencies which may include, but are not limited to, the
23 following courses:

24 a. World History,

- b. Geography,
- c. Economics,
- d. Anthropology, or
- e. other social studies courses with content and/or rigor equal to or above United States History, United States Government, and Oklahoma History;

5. Arts - \pm One unit or set of competencies which may include, but is not limited to, courses in Visual Arts and General Music; and

6. Computer Education or World Language - \pm One unit or set of competencies of computer technology, whether taught at a high school or a technology center school, including computer programming, hardware and business computer applications, such as word processing, databases, spreadsheets and graphics, excluding keyboarding or typing courses, or \pm one unit or set of competencies of foreign or non-English language.

E. 1. In addition to the curriculum requirements of either subsection B or D of this section, in order to graduate from a public high school accredited by the State Board of Education students shall complete the requirements for a personal financial literacy passport as set forth in the Passport to Financial Literacy Act and any additional course requirements or recommended elective courses as may be established by the State Board of Education and the district school board. School districts shall strongly encourage students to complete two units or sets of competencies of

1 foreign languages and two units or sets of competencies of physical
2 and health education.

3 2. No student shall receive credit for high school graduation
4 more than once for completion of the same unit or set of
5 competencies to satisfy the curriculum requirements of this section.

6 3. A school district shall not be required to offer every
7 course listed in subsections B and D of this section, but shall
8 offer sufficient courses to allow a student to meet the graduation
9 requirements during the secondary grade years of the student.

10 F. For purposes of this section:

11 1. "Contextual methodology" means academic content and skills
12 taught by utilizing real-world problems and projects in a way that
13 helps students understand the application of that knowledge;

14 2. "Qualified agricultural education courses" means courses
15 that have been determined by the State Board of Education to offer
16 the sets of competencies for one or more science content areas and
17 which correspond to academic science courses. Qualified
18 agricultural education courses shall include, but are not limited
19 to, Horticulture, Plant and Soil Science, Natural Resources and
20 Environmental Science, and Animal Science. The courses shall be
21 taught by teachers certified in agricultural education and comply
22 with all rules of the Oklahoma Department of Career and Technology
23 Education;

24

1 3. "Rigor" means a level of difficulty that is thorough,
2 exhaustive and accurate and is appropriate for the grade level;

3 4. "Sets of competencies" means instruction in those skills and
4 competencies that are specified in the subject matter standards
5 adopted by the State Board of Education and other skills and
6 competencies adopted by the Board, without regard to specified
7 instructional time; and

8 5. "Unit" means a Carnegie Unit as defined by the North Central
9 Association's Commission on Schools.

10 G. 1. The State Board of Education shall adopt a plan to
11 ensure that rigor is maintained in the content, teaching
12 methodology, level of expectations for student achievement, and
13 application of learning in all the courses taught to meet the
14 graduation requirements as specified in this section.

15 2. The State Board of Education shall allow as much flexibility
16 at the district level as is possible without diminishing the rigor
17 or undermining the intent of providing these courses. To accomplish
18 this purpose, the State Department of Education shall work with
19 school districts in reviewing and approving courses taught by
20 districts that are not specifically listed in subsections B and D of
21 this section. Options may include, but shall not be limited to,
22 courses taken by concurrent enrollment, advanced placement, or
23 correspondence, or courses bearing different titles.

24

1 3. The State Board of Education shall approve an advanced
2 placement computer science course to meet the requirements of course
3 competencies listed in paragraph 2 of subsection B of this section
4 if the course is taken in a student's senior year and the student is
5 concurrently enrolled in or has successfully completed Algebra II.

6 4. Technology center school districts may offer programs
7 designed in cooperation with institutions of higher education which
8 have an emphasis on a focused field of career study upon approval of
9 the State Board of Education and the independent district board of
10 education. Students in the tenth grade may be allowed to attend
11 these programs for up to one-half (1/2) of a school day and credit
12 for the units or sets of competencies required in paragraphs 2, 3
13 and 6 of subsection B or D of this section shall be given if the
14 courses are taught by a teacher certified in the secondary subject
15 area; provided, credit for units or sets of competencies pursuant to
16 subsection B of this section shall be approved for college admission
17 requirements.

18 5. If a student enrolls in a concurrent course, the school
19 district shall not be responsible for any costs incurred for that
20 course, unless the school district does not offer enough course
21 selection during the student's secondary grade years to allow the
22 student to receive the courses needed to meet the graduation
23 requirements of this section. If the school district does not offer
24 the necessary course selection during the student's secondary grade

1 years, it shall be responsible for the cost of resident tuition at
2 an institution in The Oklahoma State System of Higher Education,
3 fees, and books for the concurrent enrollment course, and providing
4 for transportation to and from the institution to the school site.

5 It is the intent of the Legislature that for students enrolled
6 in a concurrent enrollment course which is paid for by the school
7 district pursuant to this paragraph, the institution charge only the
8 supplementary and special service fees that are directly related to
9 the concurrent enrollment course and enrollment procedures for that
10 student. It is further the intent of the Legislature that fees for
11 student activities and student service facilities, including the
12 student health care and cultural and recreational service fees, not
13 be charged to such students.

14 6. Credit for the units or sets of competencies required in
15 subsection B or D of this section shall be given when such units or
16 sets of competencies are taken prior to ninth grade if the teachers
17 are certified or authorized to teach the subjects for high school
18 credit and the required rigor is maintained.

19 7. The three units or sets of competencies in mathematics
20 required in subsection B or D of this section shall be completed in
21 the ninth through twelfth grades. If a student completes any
22 required courses or sets of competencies in mathematics prior to
23 ninth grade, the student may take any other mathematics courses or
24 sets of competencies to fulfill the requirement to complete three

1 units or sets of competencies in grades nine through twelve after
2 the student has satisfied the requirements of subsection B or D of
3 this section.

4 8. All units or sets of competencies required for graduation
5 may be taken in any sequence recommended by the school district.

6 H. As a condition of receiving accreditation from the State
7 Board of Education, all students in grades nine through twelve shall
8 enroll in a minimum of six periods, or the equivalent in block
9 scheduling or other scheduling structure that allows for instruction
10 in sets of competencies, of rigorous academic and/or rigorous
11 vocational courses each day, which may include arts, vocal and
12 instrumental music, speech classes, and physical education classes.

13 I. 1. Academic and vocational-technical courses designed to
14 offer sets of competencies integrated or embedded within the ~~course~~
15 courses that provide for the teaching and learning of the
16 appropriate skills and knowledge in the subject matter standards, as
17 adopted by the State Board of Education, may, upon approval of the
18 Board, in consultation with the Oklahoma Department of Career and
19 Technology Education if the courses are offered at a technology
20 center school district, be counted for academic credit and toward
21 meeting the graduation requirements of this section.

22 2. Internet-based courses offered by a technology center school
23 that are taught by a certified teacher and provide for the teaching
24 and learning of the appropriate skills and knowledge in the subject

1 matter standards may, upon approval of the State Board of Education
2 and the independent district board of education, be counted for
3 academic credit and toward meeting the graduation requirements of
4 this section.

5 3. Internet-based courses or vocational-technical courses
6 utilizing integrated or embedded skills for which no subject matter
7 standards have been adopted by the State Board of Education may be
8 approved by the Board, in consultation with the Oklahoma Department
9 of Career and Technology Education if the courses are offered at a
10 technology center school district, if such courses incorporate
11 standards of nationally recognized professional organizations and
12 are taught by certified teachers.

13 4. Courses offered by a supplemental education organization
14 that is accredited by a national accrediting body and that are
15 taught by a certified teacher and provide for the teaching and
16 learning of the appropriate skills and knowledge in the subject
17 matter standards may, upon approval of the State Board of Education
18 and the school district board of education, be counted for academic
19 credit and toward meeting the graduation requirements of this
20 section.

21 J. The State Board of Education shall provide an option for
22 high school graduation based upon attainment of the desired levels
23 of competencies as required in tests pursuant to the provisions of
24

1 Section 1210.508 of this title. Such option shall be in lieu of the
2 amount of course credits earned.

3 K. The State Board of Education shall prescribe, adopt and
4 approve a promotion system based on the attainment by students of
5 specified levels of competencies in each area of the core
6 curriculum.

7 L. Children who have individualized education programs pursuant
8 to the Individuals with Disabilities Education Act (IDEA), and who
9 satisfy the graduation requirements through the individualized
10 education program for that student shall be awarded a standard
11 diploma.

12 M. Students who enter the ninth grade in or prior to the 2007-
13 08 school year who are enrolled in an alternative education program
14 and meet the requirements of their plans leading to high school
15 graduation developed pursuant to Section 1210.568 of this title
16 shall be awarded a standard diploma.

17 N. Any student who completes the curriculum requirements of the
18 International Baccalaureate Diploma Program shall be awarded a
19 standard diploma.

20 O. Any student who successfully completes an advanced
21 mathematics or science course offered pursuant to Section 1210.404
22 of this title shall be granted academic credit toward meeting the
23 graduation requirements pursuant to paragraph 2 or 3, as
24 appropriate, of subsection B or D of this section.

1 P. For purposes of this section, the courses approved for
2 college admission requirements shall be courses which are approved
3 by the Oklahoma State Regents for Higher Education for admission to
4 an institution within The Oklahoma State System of Higher Education.

5 Q. Students who have been denied a standard diploma by the
6 school district in which the student is or was enrolled for failing
7 to meet the requirements of this section may re-enroll in the school
8 district that denied the student a standard diploma following the
9 denial of a standard diploma. The student shall be provided
10 remediation or intervention and the opportunity to complete the
11 curriculum units or sets of competencies required by this section to
12 obtain a standard diploma. Students who re-enroll in the school
13 district to meet the graduation requirements of this section shall
14 be exempt from the hourly instructional requirements of Section 1-
15 111 of this title and the six-period enrollment requirements of this
16 section.

17 R. The State Department of Education shall collect and report
18 data by school site and district on the number of students who
19 enroll in the core curriculum as provided in subsection D of this
20 section.

21 SECTION 2. AMENDATORY 70 O.S. 2011, Section 1210.508, as
22 last amended by Section 1, Chapter 479, O.S.L. 2019 (70 O.S. Supp.
23 2020, Section 1210.508), is amended to read as follows:

24

1 Section 1210.508 A. 1. By no later than December 31, 2016,
2 the State Board of Education shall adopt a statewide system of
3 student assessments in compliance with the Elementary and Secondary
4 Education Act of 1965 (ESEA), as reauthorized and amended by P.L.
5 No. 114-95, also known as the Every Student Succeeds Act (ESSA).

6 2. The statewide student assessment system adopted by the Board
7 pursuant to this subsection shall be aligned with the Oklahoma
8 Academic Standards as adopted by the Board and which prepare
9 students for college and careers.

10 B. 1. The Board shall issue a request for proposals for the
11 selection of assessments to be administered to students in grades
12 three through twelve as a part of the statewide student assessment
13 system adopted by the Board pursuant to this section.

14 2. The Board shall adopt assessments from the selected
15 proposals that were submitted pursuant to paragraph 1 of this
16 subsection. The adopted assessments shall be administered by the
17 Board for a period that is in coordination with the six-year subject
18 area textbook adoption cycle unless the vendor does not fulfill the
19 terms of the contract or fails to comply with or violates the terms
20 of the contract. The Board shall administer the assessments
21 beginning with the 2017-2018 school year.

22 C. The statewide student assessment system adopted by the Board
23 pursuant to this section shall include assessments that:

24

- 1 1. Are aligned with the Oklahoma subject matter standards as
2 adopted by the Board;
- 3 2. Provide a measure of comparability among other states;
- 4 3. Yield both norm-referenced scores and criterion-referenced
5 scores;
- 6 4. Have a track record of statistical reliability and accuracy;
7 and
- 8 5. For assessments administered in high school, provide a
9 measure of future academic performance.

10 D. For the 2016-2017 school year, the Board shall administer
11 assessments in:

- 12 1. English Language Arts or Reading and Mathematics in grades
13 three through eight and at least once in high school, during the
14 grade span of nine through twelve;
- 15 2. Science not less than once during each grade span of three
16 through five, six through nine and ten through twelve; and
- 17 3. United States History not less than once during the grade
18 span of nine through twelve.

19 E. 1. Beginning with the 2017-2018 school year, the statewide
20 student assessment system shall include assessments in:

- 21 a. English Language Arts and Mathematics in grades three
22 through eight and at least once in high school, during
23 the grade span of nine through twelve,
24

1 b. Science not less than once during each grade span of
2 three through five, six through nine and ten through
3 twelve, and

4 c. United States History, with an emphasis on civics, not
5 less than once during the grade span of nine through
6 twelve. Beginning with the 2022-2023 school year, the
7 United States History assessment shall include the
8 United States naturalization test. Students shall not
9 be eligible to graduate from a public high school with
10 a standard diploma until they pass the United States
11 naturalization test.

12 2. Beginning with the 2017-2018 school year, the statewide
13 student assessment system may include:

14 a. assessments in Reading and Writing in certain grades
15 as determined by the Board, and

16 b. contingent upon the availability of funds, an
17 additional nationally recognized college- and career-
18 readiness assessment or assessments as recommended by
19 the State Department of Education which will be
20 administered to students in high school at no cost to
21 the student.

22 F. 1. Beginning with students entering the ninth grade in the
23 2017-2018 school year, each student shall take the assessment or
24 assessments included in the statewide student assessment system

1 adopted by the Board pursuant to subsection A of this section in
2 order to graduate from a public high school with a standard diploma.
3 All students shall take the assessment or assessments prior to
4 graduation, unless otherwise exempt by law.

5 2. Beginning with students entering the ninth grade in the
6 2017-2018 school year, each student, in addition to taking the
7 assessment or assessments included in the statewide student
8 assessment system adopted by the Board pursuant to subsection A of
9 this section, shall meet any other high school graduation
10 requirements adopted by the Board pursuant to Section 5 of Enrolled
11 House Bill No. 3218 of the 2nd Session of the 55th Oklahoma
12 Legislature in order to graduate from a public high school with a
13 standard diploma.

14 3. For students who start the ninth grade prior to or during
15 the 2016-2017 school year, school districts shall adopt a plan that
16 establishes the assessment or assessments those students are
17 required to take in order to graduate from a public high school with
18 a standard diploma. The plan may also include any or all of the
19 other high school graduation requirements adopted by the Board
20 pursuant to Section 5 of Enrolled House Bill No. 3218 of the 2nd
21 Session of the 55th Oklahoma Legislature that those students will be
22 required to meet in order to graduate from a public high school with
23 a standard diploma.

24

1 4. The Board shall promulgate rules to ensure that students who
2 transfer into an Oklahoma school district from out-of-state after
3 the junior year of high school shall not be denied the opportunity
4 to be awarded a standard diploma due to differing testing
5 requirements.

6 G. In order to provide an indication of the levels of
7 competency attained by the student in a permanent record for
8 potential future employers and institutions of higher education,
9 school districts shall report on the high school transcript of the
10 student the highest-achieved score on the assessment or assessments
11 included in the statewide student assessment system adopted by the
12 Board pursuant to subsection A of this section and any business- and
13 industry-recognized endorsements attained.

14 H. Students who do not perform at a proficiency level on
15 assessments shall be remediated as established in the assessment
16 requirements adopted by the Board pursuant to Section 5 of Enrolled
17 House Bill No. 3218 of the 2nd Session of the 55th Oklahoma
18 Legislature, subject to the availability of funding.

19 I. 1. All assessments required by this section shall measure
20 academic competencies in correlation with the subject matter
21 standards adopted by the Board pursuant to Sections 11-103.6 and 11-
22 103.6a of this title and referred to as the Oklahoma Academic
23 Standards. The State Board of Education shall evaluate the subject
24 matter standards to ensure the competencies reflect high standards,

1 are specific, well-defined, measurable, challenging, and will
2 prepare elementary students for next-grade-level course work and
3 secondary students for postsecondary studies at institutions of
4 higher education or technology center schools without the need for
5 remediation. All subject matter standards shall reflect the goals
6 as set forth in Section 11-103.6 of this title and of improving the
7 state average ACT score.

8 2. The State Department of Education shall annually evaluate
9 the results of the assessments. The State Board of Education shall
10 ensure that preliminary results for all statewide assessments are
11 reported to districts no later than June 20 of each year and are
12 presented in a manner that yields detailed⁷ diagnostic information
13 for the purpose of guiding instruction and student remediation. As
14 improvements are made to the assessments required by this section,
15 the Board shall seek to increase the depth of knowledge assessed for
16 each subject. The State Board of Education shall seek to ensure
17 that data yielded from the assessments required in this section are
18 utilized at the school district level to inform instruction,
19 professional development, school improvement and remediation for
20 students.

21 3. The Commission for Educational Quality and Accountability
22 shall determine the cut scores for the performance levels on all
23 statewide assessments. The Commission shall conduct an ongoing
24 review to compare the statewide assessment content and performance

1 descriptors with those of other states. Upon receipt of the review,
2 the Commission may adjust the cut scores as necessary.

3 4. The State Board of Education, for the purposes of conducting
4 reliability and validity studies, monitoring contractor adherence to
5 professionally accepted testing standards, and providing
6 recommendations for testing program improvement, shall retain the
7 services of an established, independent agency or organization that
8 is nationally recognized for its technical expertise in educational
9 testing but is not engaged in the development of aptitude or
10 achievement tests for elementary or secondary level grades. These
11 national assessment experts shall annually conduct studies of the
12 reliability and validity of the statewide assessments administered
13 pursuant to this section. Validity studies shall include studies of
14 decision validity and concurrent validity.

15 J. 1. The State Board of Education shall promulgate rules
16 setting the assessment window dates for each statewide assessment so
17 that the assessments are administered according to recommended
18 testing protocols, and so that the assessment results are reported
19 back to school districts in a timely manner. The vendor shall
20 provide a final electronic data file of all school site, school
21 district, and state results to the State Department of Education and
22 the Office of Educational Quality and Accountability prior to August
23 20 of each year. The Department shall forward the final data files
24 for each school district and each school site in that district to

1 the school district. The Board shall ensure the contract with the
2 vendor includes a provision that the vendor report assessment
3 results directly to the Office of Educational Quality and
4 Accountability at the same time it is reported to the ~~Board~~
5 Department.

6 2. State, district, and site level results of all assessments
7 required in this section shall be disaggregated by gender, race,
8 ethnicity, disability status, migrant status, English proficiency,
9 and status as economically disadvantaged, except that such
10 disaggregation shall not be required in a case in which the number
11 of students in a category is insufficient to yield statistically
12 reliable information or the results would reveal personally
13 identifiable information about an individual student. Each school
14 site shall notify the student's parents of the school's performance
15 levels in the Oklahoma School Testing Program as reported in the
16 Oklahoma Educational Indicators Program at the end of each school
17 year.

18 K. The State Board of Education shall be responsible for the
19 field-testing and validation of the statewide assessment system
20 required in subsection A of this section.

21 L. The State Board of Education shall develop, administer, and
22 incorporate as a part of the Oklahoma School Testing Program, other
23 assessment programs or procedures, including appropriate
24 accommodations for the assessment of students with disabilities as

1 required by the Individuals with Disabilities Education Act (IDEA),
2 20 U.S.C., Section 1400 et seq.

3 M. For purposes of developing and administering alternate
4 assessments for students with the most significant cognitive
5 disabilities, the State Board of Education shall not be subject to
6 subsections D and E of Section 11-103.6a of this title.

7 SECTION 3. This act shall become effective November 1, 2021.
