Research Analysis

The proposed committee substitute to HB 1647 provides that any entity offering pretrial services in a county is subject to the provisions of the Pretrial Services Act. The measure directs that a victim is to be notified and allowed to appear and be heard at any proceeding concerning the release of the person from custody. The measure provides that a pretrial services program is to obtain background information from the defendant including all previous arrests, convictions and orders of protection. The program shall use court records available through the Oklahoma State Courts Network, Department of Corrections, Oklahoma State Bureau of Investigations and any other information provider as ordered by the court. The measure requires a pretrial program to file monthly reports and adds additional information which must be collected.
