**Research Analysis**

HB 1942, as introduced, provides that, when a volunteer fire department serves a 911 emergency telephone area, all calls received through the 911 system as well as all calls requesting emergency management services or requesting assistance by county commissioners be dispatched to the nearest volunteer fire department.

**Fiscal Analysis**

According to officials at the Fire Marshall Commission, HB 1942 should not create any fiscal impact on the volunteer fire fighting departments. Therefore, it should not create a fiscal impact on the State's budget or appropriations either.
