

BILL SUMMARY
1st Session of the 58th Legislature

Bill No.:	HB 2185
Version:	CS
Request Number:	7688
Author:	Rep. Johns
Date:	3/1/2021
Impact:	No Measureable Impact Anticipated

Research Analysis

HB 2185 clarifies the information a state agency must provide when accepting a contract. The information required is limited to the address of the company and the reason the company was awarded the contract. The measure removes separate requirements for companies headquartered outside the state.

Prepared By: Sean Webster

Fiscal Analysis

The measure clarifies the identification of the address of a company regarding contacting with the state. No measureable costs or savings are anticipated.

Prepared By: Mark Tygret

Other Considerations

None.
