Research Analysis

FA1 to HB 2678 provides clarification in Section 1 (18), line 3 by replacing the word “for” with the word “by.”

As a health insurer, failing to include any amount paid “by” an enrollee or on behalf of an enrollee by another person when calculating the enrollee’s total contribution to an out-of-pocket maximum, deductible, copayment, coinsurance or other cost-sharing requirement.

Fiscal Analysis

According to officials at the Oklahoma Insurance Department, HB 2678 does not create a fiscal impact on OID. Therefore, there should be no fiscal impact on the State’s budget or appropriations.

The changes made in Floor Amendment 1 do not change this analysis.
