Research Analysis

The conference committee substitute for HB 3901 requires the Court of Tax Review to hear complaints challenging a county board of equalization's valuation of property that exceeds \$3 million. A scheduling conference is required within 20 days of the answer filed by the county assessor. Cases before the Court of Tax Review must go before a judicial administrative district that does not contain within its borders any of the property in the case. A decision in each case must be made within 12 months of the case being assigned to a three-judge panel. Any challenges of property less than \$3 million shall go to district court.
