<b>Impact:</b>	<b>See below</b>

**Research Analysis**

The proposed committee substitute for HB 3929 allows process validation as an acceptable testing practice for medical marijuana. The measure provides that process validation is to be voluntary and lays out required standards, policies, and procedures for process validation.

**Fiscal Analysis**

From OMMA:

There could possibly be an impact of hiring one or two people, but that depends on the number of licensees that volunteer and would likely be offset in large part by the fee revenue generated.
