<b>Version:</b>	<b>Committee Substitute</b>
<b>Request Number:</b>	<b>10901</b>
<b>Author:</b>	<b>Rep. Boatman</b>
<b>Date:</b>	<b>3/10/2022</b>
<b>Impact:</b>	<b>FY-2023 = \$10 million for AG</b>

**Research Analysis**

The committee substitute to HB 4210 requires the Oklahoma Attorney General to maintain data related to human trafficking and to assist law enforcement, social service agencies, and private victim advocacy programs in identifying and supporting victims of human trafficking. The measure creates within the Office of the Attorney General the Human Trafficking Response Unit to maintain data and develop training programs to assist agencies and victims of human trafficking. The Unit is to also create incentive programs to encourage state agencies to attend training programs and review policies, and appropriate targeted funding for victim service programs. The Unit is to publish public service announcements on various media platforms to educate the public about the dangers of human trafficking.

**Fiscal Analysis**

The committee substitute to the measure would require the Office of the Attorney General to maintain data related to human trafficking and to assist stakeholders providing support services to victims of human trafficking. The measure would also create the Human Trafficking Response Unit within the Office of the Attorney General. The measure provides the duties and responsibilities of the unit.

Upon review by House Fiscal Staff, the measure may have a fiscal impact to the state. The measure would create additional duties for the Office of the Attorney General. In consultation with the author of the bill, the Office of the Attorney General estimates an additional \$10 million needed in appropriations to implement the provisions of the bill.
