

BILL SUMMARY
1st Session of the 58th Legislature

Bill No.:	SB 1021
Version:	Engrossed Senate
Request Number:	N/A
Author:	Rep. McBride
Date:	3/30/2021
Impact:	\$0

Research Analysis

Engrossed SB1021 creates the Hydrogen Production, Transportation and Infrastructure Task Force. The task force consists of ten members, chaired by the Secretary of Energy and Environment, co-chaired by one appointee each of the Speaker of the House and President Pro Tempore of the Senate, with additional members appointed by the Speaker, the President Pro Tempore, and representatives of the Secretary of Commerce, Secretary of Transportation, Corporation Commission, Oklahoma Water Resources Board, and Oklahoma Center for Science and Technology. The task force is directed to hold at least one meeting each on issues regarding hydrogen production and the distribution of hydrogen.

Prepared By: Sean Webster

Fiscal Analysis

SB 1021 creates the Hydrogen Production, Transportation and Infrastructure Task Force which involves several State agencies. None of these agencies; the Secretary of Energy, the Department of Commerce, the Oklahoma Department of Transportation, the Oklahoma Corporation Commission, the Oklahoma Water Resource Board, and the Center for Science and Technology, believe that SB 2021 will create a fiscal impact to their budgets. The Secretary of Energy did not there may be some costs associated with travel if it is needed. There should be no fiscal impact to the State though.
