

BILL SUMMARY
1st Session of the 58th Legislature

Bill No.:	SB 1057
Version:	CS
Request Number:	2164
Author:	Rep. Wallace
Date:	5/17/2021
Impact:	State: operational efficiencies, potential savings

Research Analysis

The committee substitute for SB 1057 authorizes motor license agents to issue REAL ID compliant driver licenses. The measure also allows for the issuance of driver licenses that are valid for either four or eight years. The fee schedule for eight year licenses is double that of four year licenses.

Prepared By: Brad Wolgamott

Fiscal Analysis

The committee substitute for the measure authorizes motor license agents to issue REAL ID compliant driver licenses. The measure also allows for the issuance of driver licenses that are valid for either four or eight years. The fee schedule for eight year licenses is double that of four year licenses.

Upon review, the measure creates operational efficiencies for the state and may result in savings to the state.
