Research Analysis

The proposed committee substitute (PCS1) to SB 1396 modifies and adds certain definitions to the measure. The measure strikes and adds to the list of purposes funded through the supplemental hospital offset payment program fee. The measure updates statutory language for clarity and modifies the Oklahoma Health Care Authority's criteria for administrative penalties.

PCS1 restricts the Authority from transferring any funds from the Supplemental Hospital Offset Payment Program Fund to other certain funds specified in the measure. The measure requires the Authority to send an annual notice of assessment to each eligible hospital containing all information necessary so that the eligible hospital may validate the Authority's calculation of the assessment. PCS1 specifies that an eligible hospital has 30 days to notify the Authority of any errors in the notice. The measure clarifies the penalties for eligible hospitals who fail to pay a quarterly payment of an annual assessment timely and in full.

PCS1 updates statutory language regarding Medicaid Hospital Access Payments and requirements for monies used in the Supplemental Hospital Offset Payment Program Fund. This act will only become effective if SB 1337 of the Second Session of the 58th Legislature is enacted into law.

The measure declares an emergency.
