Research Analysis

SB1537 removes the Assistant Director position at the Council on Law Enforcement Education Training (CLEET). The measure also provides that CLEET may suspend certification of an officer if it finds that the certified peace officer has been suspended or terminated for cause by a law enforcement employer. The measure provides that CLEET is prohibited from certifying an officer with out-of-state certification if it finds that the officer's certification was surrendered by the officer to avoid revocation or other disciplinary action from the origin state. Beginning November 1, 2022, peace officers and reserve peace officers must renew their individual certification every three years by providing to CLEET proof of successful completion of all required continuing education hours.
