Fiscal Analysis

According to the Oklahoma Department of Labor, this measure should not create a fiscal impact for the agency; therefore, it should not create a fiscal impact for the State. This proposed committee substitute does not affect the fiscal impact analysis.

Other Considerations

While ODOL does not believe this will create a fiscal impact for the agency, it does believe it will take additional time of it's staff for reporting requirements. This may also affect other agencies who grant licenses, many of which though, are non-appropriated agencies.
