**Research Analysis**

The Proposed Committee Substitute for SB627 strikes all language from the engrossed measure, and prohibits any public body from conducting mandatory gender or sexual diversity training or counseling. Voluntary counseling and sexual harassment prevention training are not prohibited. A public body could be denied any source of public funding for violating this measure.

**Fiscal Analysis**

The prohibition relates to certain training or counseling. To the extent such activities currently occur and costs may have been associated there may be nominal savings. No reliable data can be identified to provide analysis, although no measureable impact is anticipated.

While the measure is not expected to result in a negative fiscal impact on state appropriations, there may be some revenue considerations for certain public entities.
